ON AN EXCLUSIVE SAFARI TO
KENYA

JUNE 2 TO 14, 2012

YOUR NATURALIST GUIDE~ JOSEPH K. MURUTHI

Joseph was born near Mt. Kenya and the Aberdares Range, an area renowned for the famous Tree Lodges and conservation parks. His close proximity to wildlife areas during his childhood offered him an understanding and appreciation for wildlife and nature at a young age. After college, Joseph continued his education with courses in wildlife management and tour guiding, and began his career in guiding at William Holden Wildlife Foundation, eventually moving onto tour guiding for safari groups in East Africa. His extensive knowledge on African flora, fauna, culture and history, and his experience leading tours throughout East Africa, makes Joseph one of the best guides available in Kenya.

YOUR ITINERARY

DAY 1~SATURDAY~JUNE 2 CINCINNATI/EN ROUTE

Your journey begins as you board your flight from Cincinnati en route to London. (Meals Aloft)

DAY 2~SUNDAY~JUNE 3 LONDON/NAIROBI

Arrive in London this morning, where you connect with your flight to Nairobi, the safari capital of East Africa. Arrive in the evening, where you will be welcomed by your Classic Escapes expert driver/guides and naturalist and escorted to your luxurious hotel. After check-in, a chance for a good night's rest.

Located about 20 minutes from downtown Nairobi, this is a 62-acre complex of convention center, resort and hotel. The architecture is large, dramatic and very impressive. The hotel features 204 spacious rooms, each with individual balconies overlooking the gardens, hand-carved four poster beds, refrigerated mini-bar, and many other amenities. The grounds showcase landscaped gardens, rich with exotic African trees, plants, birds and a 2000-square meter tropical swimming pool, one of the largest in Africa. In addition, the hotel has a second swimming pool, a world-class fitness center, five restaurants, and a shopping arcade.

Overnight at the NAIROBI SAFARI PARK HOTEL. (Meals Aloft)

DAY 3~MONDAY~JUNE 4 NAIROBI

After a briefing about the wonderful events ahead, get set for an exciting adventure as you visit Daphne Sheldrick's Elephant Orphanage at the edge of Nairobi National Park, which is a nursery and rehab center for infant elephants that have lost their families, as well as rhino and occasionally zebras and other wildlife. Daphne was the first person to successfully master the art and raise orphan infant elephants. The wife of the famous naturalist David Sheldrick, Daphne has dedicated her life to conservation. David was founder Warden of Kenya's giant Tsavo East National Park, in which he served from 1948 until his death in 1976. Daphne has continued her involvement and has had real

impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding population conflict. You'll enjoy a visit with the elephants as they're brought by their keepers to the waterhole and salt lick to be fed and socialize – see how they roll in the mud and play fight, and their affectionate interaction with their keepers. Daphne, or a member of her staff, will be on hand to discuss their habits, as well as impart interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Lunch at Blixen's Cottages, and continue to the AFEW Nature Center near Giraffe Manor where you may hand-feed the Rothschild giraffe that live here. The giraffe were brought here by Jock and Betty Leslie-Melville, who founded AFEW (African Fund for Endangered Wildlife) and built the Nature Center to help educate young African children about wildlife conservation. The Rothschild giraffe are the tallest species and may reach eighteen feet in height, but you can see eye to eye with them on the elevated walkway at the center.

Tonight a welcome dinner has been prepared for you at the Nyama Choma Ranch Restaurant. Here you will have an outstanding Kenyan barbecue of game and domesticated meat.

DAYS 4/5~TUESDAY/WEDNESDAY~JUNE 5/6
SAMBURU/BUFFALO SPRINGS RESERVES

Begin your exploration of this magnificent country as you drive on its rugged roads, through rich farm land, en route to Samburu Reserve, which lies 200 miles north of Nairobi on the hot and arid fringes of the vast northern region of Kenya. (An optional flight between the Nairobi and Samburu is available at a cost of \$300 per person.) Lunch will be at the Trout Tree Inn at Nanyuki en route. The reserve is within the lands of the colorful Samburu people, close relatives of the Maasai, and home to a number of wildlife species rarely found elsewhere in Kenya: Grevy's zebra, reticulated giraffe, and Beisa oryx, all found only north of the equator. The graceful gerenuk, an antelope with its characteristic long neck, spends much of its time in a bipedal stance seeking relaxation in the sparse scrub that grows in this harsh terrain. This dramatic landscape is blanketed by the hot equatorial sun for most of the year. Relief comes from the cool waters of the Uaso Nyiro ("Brown") River, which rises to the west on the foothills of the Aberdares and which vanishes beyond Samburu in the soggy expanse known as the Lorian swamp. The scenery in Samburu is magnificent and the birdlife awesome.

Ashnil Samburu Camp is located in the Buffalo Springs Reserve, separated from Samburu Reserve by the Uaso Nyiro River. This is the perfect lodge from which to view large numbers of elephants using the river to drink, bathe and play. Huge troops of baboons patrol the riverbanks daily and in the camp itself vervet monkeys socialize in the trees. Each of the 24 exclusive, comfortable, deluxe tents gives perfect views of the river, surrounding beautiful landscapes and all life this brown river supports. Every spacious tent consists of a king size or twin beds, dressing area, sitting area, luggage rack, and ensuite facilities.

DAYS 6/7~THURSDAY/FRIDAY~JUNE 7/8
SWEETWATERS

Your adventure continues as you drive through this magnificent country with its diverse landscapes and hospitable people, to Sweetwaters Tented Camp, which lies in the heart of the privately owned 22,000-acre Reserve, enjoying magnificent views across the bush to the snow-capped peaks of Mt. Kenya. Overlooking a floodlit waterhole, the camp offers visitors an unforgettable opportunity to watch and photograph wildlife in its natural habitat.

During your stay here, you will also visit the 200-acre Chimpanzee sanctuary that has been set up here. Although chimps are not indigenous to Kenya, the aim of the project, initiated by Lonrho East Africa, Kenya Wildlife Services and the Jane Goodall Institute, was to

set up a colony where chimps could be introduced, rehabilitated and taught to fend for themselves in an area similar to their natural living conditions. Priority is given to orphaned and abused chimps. The Sanctuary currently has 27 chimps, including two babies born in the Sanctuary. While here, you will be treated to a guided walking safari. At an optional cost, you can enjoy camel safaris, and horse-back riding.

On one of your evenings here you can enjoy an optional night drive (currently \$100 per person) where you may see nocturnal animals such as aardvark, aardwolf, genet, caracal, porcupine, spring hare and galagos. During your drive, stop and feast your eyes on the brilliant star-studded sky, also take a moment to absorb the wondrous African night. This is definitely what Mother Nature intended.

Exquisitely appointed tents under thatched roof have en-suite facilities and private verandahs. Relax at the Waterhole Bar

for uninterrupted views of visiting wildlife or cozy up to a blazing log fire in the Kashoggi Bar and Lounge. In the heat of the day, take a refreshing dip in the pool. Sundowner cocktails, excellent cuisine, safari luncheons, bush dinners and campfire suppers create a truly unforgettable safari. Overnight at SWEETWATERS TENTED CAMP. (B,L,D Daily)

DAY 8~SATURDAY~JUNE 9
LAKE NAKURU NATIONAL PARK

You now explore the Great Rift Valley, a huge geological fault-line that stretches round one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and along its length, there are many volcanoes, most now dormant. With bubbling springs and geysers, the landscape is spectacular. Lake Nakuru National Park is a shallow alkaline lake that is world-renowned for its huge concentration of flamingos; at times, hundreds of thousands of these birds give the lake a pink shimmering glow. The park boasts a huge variety of animals, including leopard which is often found snoozing on the branches of the magnificent yellow-barked acacias, lion, buffalo, hippo, waterbuck, warthog, baboon, the endangered Rothschild's giraffe only found in this park in Kenya, white rhino and the rare black rhino which

is protected and guarded here. For the bird-watching enthusiast there are 450 species found in the park vicinity, with a vast concentration of water birds including Marabou Stork, pelican, and of course the world-famous flocks of flamingo.

Built in a natural dais, overlooking one of the world's greatest ornithological spectacles, the Sarova Lion Hill Lodge impresses every guest with its panoramic view of the pink shoreline created by the numerous flamingos on Lake Nakuru. The Lodge is situated within the heart of Kenya's Rift Valley, nestled on the banks of one of East Africa's most famous soda lakes, and surrounded by natural flora and fauna in its beautiful grounds. You can enjoy the vista from the privacy of your own verandah. Each of the 64 rustic chalets has a private secluded verandah and en suite bathroom. Additional amenities include the Flamingo Restaurant, the Rift Valley Bar, swimming pool, sauna and novelty shops. Local dancers perform traditional dances nightly.

DAYS 9/10/11~SUNDAY/MONDAY/TUESDAY~JUNE 10/11/12

MAASAI MARA / NORTHERN SERENGETI

Your drive now takes you to the Maasai Mara, Kenya's most famous wildlife reserve, much the setting for the film *Out of Africa*. It is classic savannah - grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai tend their cattle, all sharing the same land with minimal conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino and hippo. There are also over 500 resident species of birds in the park including ostrich, larks and sunbirds as well as the lovely Lilac-breasted Roller.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard and sick will fall prey to the ravaging pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. While it is a bit too early for the migration in June, the Mara has its own resident herds and you're sure to see plenty of wildlife! The Mara also has one of the highest concentrations of cheetah on the continent, as well as many magnificent black-maned lions.

Optional activities abound while you're in the Maasai Mara. You can try a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active. Or, take a short flight to Lake Victoria, where either at Mfangano or Rusinga Islands you can see the life of the natives who rely on fishing and what the lake has to offer - in fact, you can try your hand at fishing as many a times visitors can catch up to 100-pound Nile perch. If fishing is not your thing, there's a paleoanthropological site to be visited, and the area is lovely. Duties permitting, a Maasai

warden will discuss current conservation issues faced in the Mara. If you wish, for a nominal fee, you can also visit a Maasai Village to experience this nomadic tribe's way of life and see their colorful culture.

Your luxury tented camp, the Ashnil Mara Camp is perfectly positioned close the Mara River famous for the river crossing during the great Wildebeest Migration. Accommodation is offered in 30 luxury tents which sit alongside the riverbank. The wide-spaced and secluded rooms have been individually styled in exuberant bush colors and feature large spacious en-suite bathrooms, walk-in closets and a sun deck for relaxation while watching game. The restaurant serves buffet meals, while the open-air bar serves a wide selection of beers, cocktails and liqueurs. There is a modern lounge decorated with a special African touch where in the evenings, you can enjoy the breathtaking sunset and discuss the day's wildlife sightings.

THINGS YOU NEED TO KNOW ABOUT KENYA

Participants

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, minibuses, and small aircrafts unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The start and end city for this program is Nairobi, Kenya.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

BRING-A-BOOK FOUNDATION

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included environmental education efforts in India and Bhutan, wild dog and cheetah conservation in Botswana, Kenya and Namibia, and global Earth Day education via school internet programs. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.
