YOUR ITINERARY

DAYS 1/2~WEDNESDAY/THURSDAY~OCTOBER 10/11

NEW YORK/EN ROUTE/JERUSALEM

Board your overnight flight to Israel. Upon arrival the next day, you will be greeted by your Classic Escapes guide, and driven to your hotel in Jerusalem. En route, visit the Haas Promenade for stunning views of the entire Jerusalem landscape including the Old City and surrounding walls.

Spend the next four days exploring Jerusalem, a mountainous city with a 5,000-year history, sacred to the three great monotheistic religions of the world – Judaism, Christianity and Islam. It is a major site of pilgrimage for all three religions as well as non-religious travelers, thanks to its unmatched historical and spiritual importance, its network of museums and concerts, and the archeological treasures that are continually discovered here. It is also a dynamic modern city shared by Jews, Christians and Arabs.

Renowned for its excellent personalized service, the Prima Kings Hotel is modern, elegant and ideally located in the center of Jerusalem and a ten to fifteen minute walk from the Jaffa Gate of the Old City, Ben Yehuda Street and Emek Refaim. The circular lobby with its windows overlooking a major intersection is a pleasant place to sit and meet family and friends. The hotels offers 217 rooms, featuring air-conditioning and bathrooms en suite, cable television, radio and include phones with international direct dialing and modem plug-in.

Overnight at the PRIMA KINGS HOTEL. (Meals Aloft; D)

DAY 3~FRIDAY~OCTOBER 12

JERUSALEM

You will have a very full day of sightseeing! Highlights include the Temple Mount, City of David, the Jewish Quarter, Mount Zion and the Via Dolorosa.

Your first visit this morning is to the Temple Mount, an elevated plateau in the Old City of Jerusalem rich with history and religious importance. It is currently governed by the Waqf, or Supreme Muslim Religious Council. Like many sites in Jerusalem, the Temple Mount is sacred to Jews, Muslims and Christians alike. Originally, it was the site of the great Temple of Jerusalem, the holiest place in Judaism. For Muslims, it is the site of the Prophet Muhammad's journey to heaven described in

the Qur'an. Finally, Christians revere it as a place frequently visited by Jesus and some believe it will play a major role in the end-time events.

Tour the City of David, beginning with an observation position overlooking Biblical Jerusalem that will send you 3,800 years back in time to the days of Abraham, when the first foundations of the city were laid. View the Western Wall, the only remaining part of the holy temple and the holiest of Jewish sites. From here you will go into the Davidson Center for a lecture and virtual computer generated reconstruction of the temple mount at the time of the 2nd temple. Leaving the center you will travel along the Western Wall of the Second Temple, destroyed in 70 A.D., and go to the area of the wall held sacred to Jews today.

Following lunch at Kafe Harova, step into the Jewish Quarter and discover tangible remains of a dramatic chapter in Jewish history, the period of its greatest grandeur: the time of the Second Temple. Following Babylonian captivity, Jews returned to Jerusalem and the area that is now the Jewish Quarter was inhabited by Jews once more and developed into an aristocratic and priestly residential neighborhood, with many luxurious mansions overlooking the Temple Mount.

Jerusalem was again leveled in 70 A.D. by Roman armies (the remains of houses burned in that blaze have been uncovered in what is now the Jewish Quarter); 65 years after the Romans destroyed Jerusalem, they (and later their Byzantine successors) rebuilt the city. You can visit several recently uncovered vestiges of Byzantine times in the Jewish Quarter, including the Nea Church, and the southern end of the city's colonnaded north-south thoroughfare, the Cardo Maximus which is home to many shops and galleries.

Continue to Mount Zion where you will visit the room that is believed to have been the setting for the Last Supper and then King David's tomb.

For many Christian pilgrims to Jerusalem, the most important and meaningful thing they will do while in the city is walk the Via Dolorosa, the route that Jesus took between his condemnation by Pilate and his crucifixion and burial. The route of the Via Dolorosa begins near the Lions' Gate in the Muslim Quarter and ends at the Church of the Holy Sepulcher in the Christian Quarter, home to the holiest site in all of Christendom – the tomb where Christ was buried and was resurrected.

Exit via the Damascus Gate and continue to Rockefeller Museum with its extraordinary collection of antiquities dating from 10,000 BC, unearthed in excavations conducted mainly during the British Mandate (1919-1948).

This evening enjoy the Sound and Light show at Temple David. The tower's ancient walls come alive during the show that takes you on an inspiring open-air tour of Jerusalem's history. Overnight at the PRIMA KINGS HOTEL. (B,L)

DAY 4~SATURDAY~OCTOBER 13

JERUSALEM: MASSADA/EIN GEDI NATURE RESERVE/QUMRAN

Leave Jerusalem this morning for Masada, near the Dead Sea. You can climb up the ancient serpent path, or take a cable car to hill top ruins of Masada, UNESCO World Heritage Site. Built by King Herod, the site would later be the scene of the Zealots last stand against the Roman Legion. Determined not to become slaves to the Romans, they did the unthinkable, mass suicide. Some 960 souls chose death over surrender on that fateful day. Explore the ancient excavation of Herod's Palaces, the bathhouse, storerooms, the ramp and one of the oldest synagogues in the world.

Continue to Ein Gedi Nature Reserve, a lush oasis set between the harsh Judean Desert and the barren Dead Sea. Take a short hike to the beautiful waterfalls, en route enjoying the wonderful flora and fauna around you.

The last stop of the day is at Qumran, the site of an Essene settlement and the place where the

Dead Sea Scrolls were discovered. Return to Jerusalem this evening. Overnight at the PRIMA KINGS HOTEL. (B,L)

DAY 5~SUNDAY~OCTOBER 14

JERUSALEM/ BETHLEHEM

Your first visit this morning is to the Temple Mount, an elevated plateau in the Old City of Jerusalem rich with history and religious importance. It is currently governed by the Waqf, or Supreme Muslim Religious Council. Like many sites in Jerusalem, the Temple Mount is sacred to Jews, Muslims and Christians alike. Originally, it was the site of the great Temple of Jerusalem, the holiest place in Judaism. For Muslims, it is the site of the Prophet Muhammad's journey to heaven described in the Qur'an. Finally, Christians revere it as a place frequently visited by Jesus and some believe it will play a major role in the end-time events.

Visit Mount Herzl Israel's National Cemetery named for Theodor Herzl, the founder of modern political Zionism. Within the cemetery is Yad Vashem, Museum, Israel's official memorial to the Jewish victims of the Holocaust. The new Hall of Remembrance is a remarkable architectural and educational achievement. Here you will also find the Children's Memorial and the path of trees creating the "avenue of the righteous among nations" honoring those who risked their lives to save Jews.

Get a taste of the variety of people, produce and goods that are part of Israel today as you have lunch and shop at Jerusalem's outdoor souk Machane Yehuda before visiting the Israel Museum. The most popular part of the museum is the Shrine of the Book, with its distinctive onion-shaped top. The roof was designed to resemble the jar covers in which the Dead Sea Scrolls were discovered in 1947. Inside, a long, subtly lit passageway, designed to evoke the environment that the scrolls were found, has a permanent exhibition on life in Qumran when the scrolls were written. The main attraction of the Shrine of the Book is, of course, the Dead Sea Scrolls themselves. Directly beneath the dome is an imposing showcase containing a replica of the Great Isaiah Scroll (written c. 100 BC), comprised of 66 chapters on a 23 ft long, sewn-together piece of parchment. This find was extremely important, as it is 1,000 years older than the oldest biblical manuscript available before. Another important exhibit here is the scale model of Jerusalem at the time of the Second Temple.

Perched on a hill at the edge of the Judean desert, just five miles south of Jerusalem is Bethlehem, the childhood home of the biblical King David. To get there you will pass thru a checkpoint in the fence separating Israel from the Palestinian Authority. It is also the birthplace of Jesus Christ and has been a major site of Christian pilgrimage since the construction of the Church of the Nativity in the 4th century AD. You will also visit the Shepherd's Fields, identified since ancient times with the shepherds who saw the Star of Nativity.

Overnight at the PRIMA KINGS HOTEL. (B,D)

DAY 6~MONDAY~OCTOBER 15

BEIT SHE'AN/GOLAN HEIGHTS/TIBERIAS

Leaving Jerusalem for the Galilee, your first stop is Beit She'an, home to some of Israel's most spectacular archaeological finds. The site features a large amphitheater (with a capacity of about 7,000 people,) a Byzantine era colonnaded street, ritual baths, a pottery workshop, a basilica, a Roman temple and much more.

Ascend the Golan Heights for panoramic views and proceed to the Golan Olive Oil Mill, adjacent to the ancient city of Qatzrin. Enjoy lunch and a guided tour of the olive oil press and skincare center.

In the afternoon, check into the Kibbutz Ein Gev set amid eucalyptus and date palm groves right on the shores of the Sea of Galilee, just across the lake from Tiberias. You will go out on the lake in the Kibbutz boat, then a Kibbutz member will take you on a tour of the Kibbutz and talk about its' history and role today. This evening enjoy a wonderful fish dinner in the guest house dining room overlooking the lake. It's a paradisiacal place to unwind and swim the warm waters of the lake. Lucy Mandelstam, who came to Israel after surviving Auschwitz will join you and talk about life here at the time of Israel's independence.

Overnight at KIBBUTZ EIN GEV GUEST HOUSE. (B,L,D)

DAY 7~TUESDAY~OCTOBER 16

TIBERIAS: CAPERNAUM/TABGHA/SAFED

Visit the historical town of Tiberias then continue to Capernaum, once a fishing village on the shore of the Sea of Galilee. The town is first mentioned in the New Testament, where it figures prominently in the Gospel narratives as the place where Jesus lived during much of his ministry in Galilee. It was here, according to the New Testament, that he "cured many who were suffering from diseases," and "cast out many devils" in those possessed. View one of the oldest synagogues in the world as well as the church ruins that were built above St. Peter's house.

Tabgha is not a city, but a small area on the northwest shore of the Sea of Galilee, not far from Capernaum. In ancient times, it was called Heptapegon, Greek for seven springs. These springs produce warm water, which increases the production of algae in this part of the lake in turn attracting more fish. Fishermen have flocked to Heptapegon for thousands of years. It is also the traditional site of the "miracle of the multiplication of the loaves and fishes" and the third resurrection of Jesus. The hill above the two lakeside churches is the Mount of Beatitudes, where it is believed that Jesus preached the Sermon of the Mount.

Visit the ancient Galilean city of Safed, the highest city in Israel, commanding breathtaking views of Galilee with its green mountains and the white snow-capped peak of Mount Hermon. One of the four holy cities in Israel (Jerusalem, Tiberias, Hebron), it has been a spiritual center since the 1600s when it was the center of Kabbalah. The Kabbalist mystics lived, studied, taught, and wrote in the city and many of the graves are objects of worship. Wander through the alley ways past charming stone houses with their artists' studios and workshops and synagogues, some active for as many as 500 years.

The Dan Panorama Hotel sits high up on Mount Carmel offering breathtaking views of Haifa Bay and the Mediterranean coastline. This classic hotel is situated on the prestigious, tree-lined Hanassi Boulevard and backs onto Haifa's gorgeous hill-top promenade, only meters away from the magnificent Bahai Temple. The hotel is also just a couple of minutes walk from the attractive Carmel Center with its many cafés, shops and entertainment venues. Tastefully and elegantly designed in contemporary style, all the

guestrooms and suites offer marvelous views. Most rooms have views of Haifa Bay and the coastline, while others offer views of the wooded hillsides or of the city - as well as of the sea.

Overnight at DAN PANORAMA HOTEL. (B,D)

DAY 8~WEDNESDAY~OCTOBER 17

HAIFA

Haifa is located in northwest Israel overlooking a bay on the Mediterranean Sea, compared by some to the similarly-situated cities of San Francisco or Naples. Israel's third largest city, Haifa is a major industrial center and has a population of almost 300,000. According to a popular Israeli saying, "Tel Aviv plays while Jerusalem prays. But Haifa works!"

Like most of Israel, Haifa has been populated since ancient times. Elijah is the city's most famous early inhabitant; here he meditated in a cave before defeating the priests of Baal. In April 22, 1948, the Arabs of Haifa surrendered to Israeli forces and the town remains under Israeli rule today. Most of Haifa's Arab inhabitants left after this, but the town still retains a cosmopolitan mixture of Muslim Arabs, Christian Arabs, and Baha'is.

Begin your day at the Technion, the Institute of Technology that has been the heart of the Israel's technology miracle. You will learn about some the discoveries for which Israelis have won Noble prizes.

Descend to the slopes of Mount Carmel where you'll see the Stella Maris Carmelite Monastery. In the 12th century, during the Crusader occupation of the region, groups of religious hermits began to inhabit the caves of this area in imitation of Elijah the Prophet. Within a century, these monastic hermits were organized into the Carmelite order and the Carmelite order spread throughout Europe. While the Carmelite orders flourished in Europe throughout the Middle Ages, its founders on Mount Carmel were exiled at the time of the Mamluk conquest in 1291 and did not return until the 18th century. Construction of the present monastery and basilica began in 1836.

Visit Kababir, a former Arab village and the only settlement in Israel whose residents come from the Ahmadiyya sect of Islam, originating in India. According to the theology of the sect, holy war in the name of Islam (jihad) must only be carried out by preaching and pleasantness and not by force of a sword. The Ahmadiyyans fulfill all the commandments of Islam, but oppose jihad 'holy war' and preach for the brotherhood of nations.

Continue your cultural and religious journey as you drive through the recently reconstructed German Colony, originally built by the German Templar Society.

This afternoon travel north to the World Heritage Site of Acre, an exceptional historic walled port-city with continuous settlement from the Phoenician period. Acre became the capital of the Crusaders after they lost Jerusalem. Walk through the restored underground Crusaders City. The present city is characteristic of a fortified walled town dating from the 18-19th centuries, with well preserved components such as a citadel, mosques, khans, and baths.

This evening you will be joined at dinner by members of the various religious and ethnic communities.

Overnight at DAN PANORAMA HOTEL. (B,D)

DAY 9~THURSDAY~OCTOBER 18

HAIFA/CAESAREA/TEL AVIV

First stop is the immaculate Bahai Gardens, with their stone peacocks and delicately manicured cypress trees, a restful, aesthetic memorial to the founders of the Baha'i Faith. Pilgrims come to Haifa from all parts of the world to pay homage to the first leaders of their religion, which emphasizes unity across cultures and religions. They believe that messengers of God like Moses, Jesus and Mohammed have been sent at different times in history with doctrines varying to fit changing social needs, but bringing substantially the same message. Visit Givat Haviva, an institute dedicated to fostering the creation of a shared society, resisting racism and discrimination and building greater understanding between different groups in Israeli society and among nations, through education. Visit will include a lecture from Lydia Aisenberg and a visit to an Arab village that straddles the border between Palestinian territory and Israel.

Drive to Binyamina to visit the world-renowned Tishbi Winery for wine tasting and lunch.

Continue south to Caesarea, an ancient city, now archaeological park, located on the Mediterranean Sea. Constructed by Herod the Great between 22 and 10 BC and named for Caesar Augustus, Caesarea was one of the most splendid cities in Palestine and was the capital of the province for almost 600 years. See ruins from the Roman, Byzantine and Crusader eras and a virtual model of Ancient Caesarea and the enormous artificial port that even today would be considered an important feat of engineering.

Situated on the shores of the sparkling Mediterranean Sea you will find your luxury hotel for the evening, the Dan Hotel Tel Aviv. Enjoy all modern amenities including a stunning outdoor pool and a large array of spa facilities, everything from classic massages to yoga.

Overnight at DAN HOTEL TEL AVIV. (B,L)

DAYS 10/11~FIDAY/SATURDAY/OCTOBER 19/20
TEL AVIV/USA

Tel Aviv was founded in 1909 by a small group of Jewish families that moved out of from the overcrowded and hostile Arab town of Jaffa. Just one hundred years later, it is Israel's 2nd largest city and it's most vibrant. The sheer vigor and determination of the place makes Tel Aviv seem vastly bigger than it really is. In fact, the city is smaller in area than Haifa or Jerusalem, but almost one-half of Israel's population live in the greater Tel Aviv metropolitan area.

Drive through the White City of Tel Aviv, a UNESCO World Heritage Site. Here you will see a collection of over 4,000 Bauhaus or International style buildings built in Tel Aviv from the 1930's by German Jewish architects who immigrated here after the rise of the Nazis.

Stroll through Neve Zedek, the first neighborhood in Tel Aviv. For years, the neighborhood prospered as Tel Aviv itself, the first modern city, grew up around it. Years of neglect and disrepair followed, but today, Neve Zedek has become one of Tel Aviv's latest fashionable and expensive districts.

Continue to Jaffa, adjoining Tel Aviv and one of the world's oldest cities, with a harbor that has been in use since the Bronze Age. The city's history is connected to a series of successive conquests that rocked Israel throughout the millennia. Today Jaffa is a city with a diverse population of Jews, Muslims and Christians. Currently undergoing a wave of gentrification, Jaffa is a socio-economic mix of young artists, new wealth and older, less affluent inhabitants. Culturally, Jaffa has become a place where creative people live, work and set up shop, making its streets a maze of discovery – with

galleries, theaters, restaurants, a flea market and an antique district. DAY 11~SATURDAY~OCTOBER 20

PETRA

Drive to Allenby Bridge where you cross into Jordan, continuing to Petra where you will stay for two nights at the Taybet Zaman Hotel. Taybet Zaman is an authentic late 19th century Jordanian village of 430,500 square foot that Jordan Tourism Investments transformed, by preserving and converting the existing houses and structures of the village, into a five star resort hotel. Petra Taybet Zaman Hotel is distinguished by its bedouin-style rooms. The guest rooms are each uniquely appointed, with private bathrooms, air conditioning and heat, and are tastefully furnished to compliment the village style and setting. All rooms feature satellite TV, direct dial telephones, a mini-bar, hairdryers, and room safes. Taybet Zaman was restored with respect to authenticity of materials, environment, and regional style resulting in a preservation of culture, recycling of materials, and an experience you will forever remember.

Overnight at the TAYBET ZAMAN HOTEL. (B)

DAY 12~SUNDAY~OCTOBER 21

PETRA

Depart for a full day tour of Petra, the soul stirring, rose-red city and Jordanian national treasure, designated as a UNESCO World Heritage Site. Petra was an ancient Nabataean capital settled by industrious Arab traders more than 2,000 years ago. Petra's unique location enabled the Nabataeans to dominate the ancient Arabian trade routes, and the city became wealthy from the tolls it levied on the caravans that sheltered there with their precious cargoes of spices, silks, ivory and animal hides. In the ancient world, Petra was renowned for its refined culture, massive architecture, and ingenious system of dams and water channels. In the years following the Emperor Trajan's annexation of Petra, the city declined and slipped into obscurity until it was "discovered" in 1812 by a Swiss traveler. Excavations that revealed the astounding workmanship and the incredible ruins at Petra did not begin until 1924. Ongoing excavations continue to reveal more information about the Nabataean Kingdom.

Petra still forms part of the domain of the Bedouin. You will see them with their horses and camels as you begin your unforgettable trip into this cultural landmark. After passing tombs outside the city, you come to the

"Siq," an immense crack in the Nubian sandstone almost one half mile long. This winding fissure separates overhanging cliffs that appear to meet 300 feet overhead. Near the end of the passage, the Siq makes one last turn and out of the gloom Petra's most impressive monument Al Khazneh (The Treasury) appears in the sunlight. One of the most elegant remains of antiquity, Al Khazneh is nearly 140 feet high and was carved from the mountain's solid rock in the First Century B.C. Originally used as a Nabataean king's tomb, Al Khazneh was later used as a Nabataean temple. Film buffs will recognize it from its starring role in the final scenes of the movie *Indiana Jones and the Temple of Doom*.

Beyond Al Khazneh you are surrounded by hundreds of Petra's sculpted structures, soaring temples, elaborate royal tombs, a Roman amphitheater (seating 3,000) large and small houses, burial chambers, banquet halls, water channels and reservoirs, baths, monumental staircases, cultic installations, markets, arched gates, public buildings and paved streets – it's quite overwhelming! This afternoon return to your hotel in Petra. You will want to visit the nearby shop where you can buy the fine traditional crafts of the Queen Noor project. Overnight at the TAYBET ZAMAN HOTEL. (B,L,D)

DAY 13~MONDAY~OCTOBER 22

DEAD SEA

Follow the Araba Valley Road to the Dead Sea, the lowest point on earth, lying some 1,300 feet below sea level. You may want to take a trip to the tip of the Dead Sea to Lot's Cave, an ancient cave believed to be used as a sanctuary by Lot and his daughters after the destruction of Sodom. The site, marked on the Madaba map of Palestine, was just recently discovered. Artifacts from 3000 BC have been found here. This is a hot and arid place filled with extraordinary geological formations.

Your home for the next two nights Holiday inn Dead Sea Resort is just two minutes walk from the water's edge. The resort has 78 well-appointed rooms and 128 chalets, a choice of restaurants and comfortable lounges, sports facilities, and the longest swimming pool on the Dead Sea coast. A trio of interconnecting, palm-fringed swimming pools leads from the contemporary Arabesque-style hotel to the warm therapeutic waters of the Dead Sea. Float in the saltiest sea in the world while the ozone-rich air fills your lungs and sunshine warms your skin.

Overnight at the HOLIDAY INN DEAD SEAHOTEL. (B,D)

DAY 14~TUESDAY~OCTOBER 23

JERASH

Drive to Jerash, one of the best-preserved examples of Roman civilization in the world. Jerash, part of the Decapolis, has been

called the "Pompeii of the East" for its unique state of preservation. The city features theaters, churches, temples (Zeus and Artemis), a Nymphaeum and colonnaded streets. Proceed to the Saracen castle at Ajlun, a 12th-century castle built by Saladin in his successful campaign to drive the Crusaders from Jordan in 1189, and an outstanding example of Arab and Islamic military architecture. Reminisce about all you have seen and experienced at tonight's farewell dinner.
