Nature & Cultural Journeys
for the Discerning Traveler

YOU ARE CORDIALLY INVITED TO JOIN

THE JACKSONVILLE ZOOLOGICAL SOCIETY

ESCORTED BY TONY VECCHIO, EXECUTIVE DIRECTOR

ON A CLASSIC SAFARI TO

KENYA

JUNE 22 TO JULY 3, 2012

YOUR JACKSONVILLE ZOO HOST, TONY VECCHIO

Tony knew he wanted to work with animals from the day he was three years old and fell in love with the dinosaurs on exhibit at the Carnegie Museum of Natural History in Pittsburgh. Starting his zoo career at age 14 at the zoo in Pittsburgh (too young to work with the animals, he filled popcorn boxes and sold hot dogs,) he literally grew up in the zoo world.

Tony earned a bachelor's degree in wildlife management and conservation at Penn State and went on to pursue a master's degree in biology at University of South Carolina. His master's thesis involved five years of studying baboons' mating behavior.

Tony's 32-year zoo career has included work in six different zoos. In addition to his start in Pittsburgh he has done stints in Columbia, SC, Atlanta, GA, Providence, RI, Portland, OR, and, since July of 2009, Jacksonville, Florida. He has been a keeper, specializing in large carnivores and primates. He has also worked in almost every area of the business including education, guest services, and facilities maintenance. His passion for conservation and education has led him to be a tireless advocate for zoos and the important role they play in their communities. An avid birder with a wonderful sense of humor, Tony will lead you on this journey of discovery to Kenya.

YOUR PROFESSIONAL NATURALIST ANTONIO MARANGABASSA

Born in Mozambique, Antonio graduated in 1981 magnum cum laude from the United States International University with majors in Sociology and Anthropology. Antonio was a public school teacher for seven years and has worked as a tour guide in Kenya since 1981. Tony is especially appreciated by his clients for his quick sense of humor and undying energy. He has volunteered some of his time to the Bring a Book Foundation from its inception, helping coordinate the donations to the schools. Tony speaks Portuguese, English, Spanish and Kiswahili, and his interests include conservation, traveling, soccer, reading, and philanthropic work.

DAY 3~SUNDAY~JUNE 24

NAIROBI

After a briefing about the wonderful events ahead, get set for an exciting adventure as you visit Daphne Sheldrick's Elephant Orphanage at the edge of Nairobi National Park. The orphanage is a nursery and rehab center for infant elephants that have lost their families, as well as rhino and occasionally, zebras and other wildlife. Daphne was the first person to successfully master the art of raising orphan infant elephants. The wife of the famous naturalist David

Sheldrick, Daphne has dedicated her life to conservation. David was founder warden of Kenya's giant Tsavo East National Park, where he served from 1948 until his death in 1976. Daphne has continued her involvement and has had a real impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding population conflict. You'll enjoy a visit with the elephants as they're brought by their keepers to the waterhole and salt lick to be fed and socialize – see how they roll in the mud and play fight, as well as their affectionate interaction with their keepers. Daphne, or a member of her staff, will be on hand to discuss their habits, and impart interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Continue to Giraffe Manor, built in 1932 by Sir David Duncan, situated on 120 acres of land just a few miles from the center of Nairobi. In 1974, Jock Leslie-Melville, grandson of a Scottish earl, and his wife Betty, bought the Manor. They also founded the African Fund for Endangered Wildlife (AFEW) and proceeded to move five babies of the highly-

endangered Rothschild giraffe to their property where they have been successfully reared and have since produced their own offspring. Betty, a Baltimore native, chronicled these events in her book, *Raising Daisy Rothschild*.

The last stop is at Karen Blixen House, the former house of the Danish Baronness, Karen Blixen (1885-1962) author of the book *Out of Africa*. Karen lived in this green residential area from 1914 to 1931 when she left permanently for Denmark. The house was built in 1910 and when Ms. Blixen bought the property, it had 6,000 acres of land but only 600 acres were developed for growing coffee; the rest was retained under natural forest. The house was bought by the Danish Government which offered it back to Kenya in 1963. In 1986, the house, formerly used as a school, was transformed to a National Museum. Much of the original furniture is on display in the house and most objects were

both used by Karen herself or for the shooting of the film and donated to the museum. You will have lunch at Karen Blixen's Coffee Lodge.

Before dinner, meet with American Mary Wykstra from the Cheetah Conservation Fund Kenya (CCFK) who will discuss their efforts to save this magnificent animal in Kenya. Mary worked at Utah's Hogle Zoo for many years, but her dream was always to do field work in Africa. Her passion for cheetahs and love for the wild brought her in contact with Laurie Marker, the dynamic American who has made it her life's commitment to conserve cheetahs in the wild and become their ambassador in the world. Based in Namibia, CCF is reaching out to other areas in Africa where large viable populations of cheetah still exist, and Kenya is one of them. The purpose of CCF is to research and implement strategies for cheetah conservation in its natural habitat. CCF works with countries that have wild cheetah populations to create and manage long-term conservation strategies for the cheetah throughout their range, develop and implement better livestock management practices, eliminating the need for ranchers to kill so many cheetah, conduct conservation education programs for local villagers, ranchers and school children, and continue intensive scientific research in cheetah genetics, biology and species survival. You're sure to enjoy your lecture with Mary, and afterwards, she'll join you for dinner. Your welcome dinner has been prepared for you at the Nyama Choma Ranch Restaurant. Here you will have an outstanding Kenyan barbecue of game and domesticated meat.

Overnight at the NAIROBI SAFARI PARK HOTEL. (B, L, D)

DAYS 4/5~MONDAY/TUESDAY~JUNE 25/26
SWEETWATERS TENTED CAMP

Continue your exploration of this magnificent country with its diverse landscapes and hospitable people, as you drive north to Sweetwaters Tented Camp, which lies in the heart of the privately owned 22,000-acre Reserve, enjoying magnificent views across the bush to the snow-capped peaks of Mt. Kenya. Overlooking a floodlit waterhole, the camp offers visitors an unforgettable opportunity to watch and photograph wildlife in its natural habitat.

During your stay, you will also visit the 200-acre Chimpanzee sanctuary that has been set up here. Although chimps are not indigenous to Kenya, the aim of the project, initiated by Lonrho East Africa, Kenya Wildlife Services and the Jane Goodall Institute, was to set up a colony where chimps could be introduced, rehabilitated and taught to fend for themselves in an area similar to their natural living conditions. Priority is given to orphaned and abused chimps. The Sanctuary currently has 27 chimps, including two babies born in the Sanctuary. There is also a

new Visitor's Information Centre at Morani's Boma. While you are here, you will be treated to a guided walking safari. At an optional cost, you can enjoy camel safaris, and horse-back riding.

You will also visit a local school in the area and get an opportunity to meet the school children and do a small project with them. Bring books, pens, schools supplies, and a few songs from your homeland. The children will impress you with their friendliness, songs, and genuine pleasure at having you there.

Another activity you're sure to enjoy is a visit to the world-famous Mt. Kenya Safari Club, set in 100 acres of gardens and

considered one of the most exclusive Clubs in the world. Originally the retreat of movie star and Club founder William Holden, the Club's illustrious former members have included Winston Churchill and Bing Crosby. Here, you will visit the nearby William Holden Animal Orphanage where you'll find some endemic wildlife, including the highly-endangered bongo.

On one of your evenings, enjoy a night drive; you may see nocturnal animals such as aardvark, aardwolf, genet, caracal, porcupine, spring hare and galagos. During your drive, stop and feast your eyes on the brilliant star-studded sky, also take a moment to absorb the wondrous African night. This is definitely what Mother Nature intended.

Accommodation is provided in luxuriously appointed tents set under thatched roofs, with en suite facilities and private verandahs. All tents face the waterhole, and often the best time to be had is just sitting on your private porch watching the procession of animals that are attracted to the waterhole and observing their behavior.

DAYS 6/7~WEDNESDAY/THURSDAY~JUNE 27/28
LAKES NAIVASHA & NAKURU

Your adventure continues as you drive to the Great Rift Valley, which is a huge geological fault-line that stretches round one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and along its length there are many volcanoes, most now dormant. With bubbling springs and geysers, the landscape is spectacular.

Your first stop will be Lake Nakuru, the shallow alkaline lake that is world-renowned for its huge concentration of flamingos - at times; hundreds of thousands of these exotic birds give the lake a pink shimmering glow. Lake

Nakuru National Park boasts a huge variety of animals, including leopard, which is often found snoozing on the branches of the magnificent yellow-barked acacias, buffalo, waterbuck, baboon, the endangered Rothschild's giraffe, and rhino which is protected and guarded here. For the bird-watching enthusiast there are 450 species found in the park vicinity, with a vast concentration of water birds.

Enjoy a barbecue lunch and a wildlife run at Lake Nakuru, and continue to your accommodation at Lake Naivasha, one of the most beautiful in Kenya, with spectacular scenery and varying activities. Next day, take a walk at Hell's Gate, so named because of this gorge's interesting geological formation. If you're active, you'll love the chance to get out there and experience nature on foot. You might also enjoy a walk at Crescent Island. No predators are found on this island, so walking among the free-roaming antelope is sure to be a fun experience. A boat ride on Lake Naivasha will reveal the toothy yawn of a hippo, the vast expanses of water lilies, and a plethora of water birds.

Your home for the next two nights borrows its name from the Masai word Enashipai - meaning a state of happiness. The Enashipai Resort and Spa is located within the splendor of the Rift Valley and by the shores of Lake Naivasha, the second largest fresh water lake in Kenya. It has 70 comfortable and spacious rooms all of them equipped with modern amenities and surrounded by lush tropical gardens. The resort offers a heated swimming pool with sundeck and a fitness center with resident instructor. Dine while savoring the finest cuisine in the resort's Main restaurant. The restaurant's professional chef uses only the freshest ingredients from nearby farms to create a truly sensational menu. Game drives are only one aspect of the Enashipai experience. Other optional activities at the resort include mountain climbing, hiking, rock climbing, biking, and bird watching.

DAYS 8/9/10~FRIDAY/SATURDAY/SUNDAY~JUNE 29/30, JULY 1

MAASAI MARA/NORTHERN SERENGETI

Your drive now takes you through the Maasai town of Narok to the Maasai Mara, Kenya's most famous reserve. This location provided much the setting for the film *Out of Africa*. It is classic savannah – grasslands, where animals are

plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai tend their cattle in perfect harmony, all sharing the same land with total understanding. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa", a site with one of the largest and the most spectacular animal migrations in the world. The Maasai herdsmen are nomadic people who do not believe in the concept of land ownership and choose instead to live in harmony with the wildlife grazing in the area.

The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino and hippo. There are also over 500 resident species of birds in the park including ostrich, lark and sunbird. The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve which covers an area of 700 square miles forms part of the Serengeti ecosystem and hence hosts the world famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra and an escort of carnivores from the Serengeti plains, following the rains and succulent new grass. A costly trek as many of the lame, laggard and sick will fall prey to the ravaging pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. Whether you're in the Maasai Mara during migration time or not, your viewing will be spectacular, as the resident population of zebra and wildebeest will still be there, along with the predators.

Optional activities abound while you're in the Maasai Mara. You can try a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active. Or, take a short flight to Lake Victoria, where either at Mfangano or Rusinga Islands you can see the life of the natives who rely on fishing and what the lake has to offer – in fact, you can try your hand at fishing as many times visitors have caught Nile perch up to 100-pounds. If fishing is not your thing, there's a paleoanthropological site to be visited, and the area is lovely.

The Mara Serena Safari Lodge is an interpretation of a traditional Maasai Manyatta village of domed huts. Accommodation is offered in 73 guestrooms, all of which have been styled to mirror the circular motif of a traditional Maasai Manyatta village of domed huts. The wide-spaced and secluded rooms have been individually styled in exuberant bush colors and feature large spacious en suite bathrooms. It is set on the saddle of a hill where it overlooks the 695 square miles of rolling plains, woodlands and rivers that make up the Maasai Mara Triangle – one of the world's richest wildlife sanctuaries. No other lodge has such a spectacular view of the surrounding landscape or the wildlife and birdlife that inhabit it. It is on this very terrain stretching endlessly before the lodge where the annual migration takes place and millions of wildebeest, zebra and gazelle traverse the landscape to feed on the rich new grass and give birth to their young.

DAY 13~WEDNESDAY~JULY 4

MOMBASA CITY TOUR

The town of Mombasa is a major sea gateway for eastern Africa and is Kenya's oldest and second largest metropolis. By the 15th century this important port was a thriving, sophisticated city with established trade routes to China, Persia, and India. Today Mombasa continues to be the largest port on the East African coast serving the countries of Uganda, Rwanda, Burundi, and eastern Zaire, and of course, Kenya.

Over the centuries Mombasa has struggled with numerous foreign invaders and hostility. The Portuguese, the ferocious Zimba tribe, and the Omanis have all laid claim to Mombasa since the 12th century. British rule of Mombasa became official in 1895 when they leased a stretch of the coast including the port city from the Sultan of Zanzibar. Officially this coastal strip still belonged to Zanzibar until ceded to a newly independent Kenya in 1963. The British affirmed Mombasa's importance as East Africa's most vital port when they completed a railway in 1901 stretching from Mombasa to Uganda. Today, the city remains one of Africa's major links to the rest of the world.

Fort Jesus is perhaps Mombasa's biggest attraction as it dominates the harbor entrance. This Portuguese stronghold was built in 1593 to fend off local enemies and Turkish warships. The remains of the fort provide an interesting tour back through history and a small museum features a variety of relics. The Omani House, located in the north-western corner of the fort has fascinating displays on Swahili life and breathtaking views over the old town. Mombasa Old Town features a smattering of styles and traditions common to coastal Swahili villages and late 19th century Indian and British colonial architecture. Although its history goes back centuries, most of the houses in Old Town are generally no more than 100 years old. Nevertheless, many of these buildings were modeled on ancient Swahili designs and feature intricately carved doors and door frames. The Muslim influence can also be seen in the construction of balconies, their support brackets, and detailed lattice work.

Overnight at SERENA BEACH HOTEL. (B, D)

DAY 14~THURSDAY~JULY 5

WASINI ISLAND TOUR

Enjoy a morning trip by dhow (small sailing vessel based on ancient techniques updated with modern amenities) to Wasini Island in the Kisite Marine Park for spectacular snorkeling in the calm, blue Indian Ocean waters which mimics a giant tropical aquarium at your fingertips. Swim through waters full of beautifully-colored fish and coral, and look out for wayward sea turtles and dolphins gliding past you. While at the launching point of Wasini Island, tour the Shimoni Caves, referred to as 'Slave Town' because unfortunately, during the 18th and early 19th centuries human cargo was held in these caves for up to three weeks before being transferred to Zanzibar and the slave auctions. Return to your hotel late in the afternoon. Overnight at SERENA BEACH HOTEL. (B,D)

DAY 15~FRIDAY~JULY 6

MOMBASA/NAIROBI/EN ROUTE

This morning visit the Bamburi Nature Trail, the largest animal sanctuary in Mombasa. The Nature Trail boasts an enormous variety of animals, reptiles, insects and botanical gardens. Walking along the trail is the ideal way to look at the various animals, and on many occasions holding or feeding a reptile such as a snake is allowed under close supervision of a guide. Educational videos are also shown, with emphasis on the history and continuous improvement of the trail. It was previously a barren piece of land that had been stripped of its resources through limestone mining, and was redeveloped through reforestation and conservation efforts, and is now a habitat for a large number of flora and fauna species.

Late this afternoon, transfer back to the Mombasa Airport for your flight to Nairobi. Here, board your overnight flight to London. (B, Meals Aloft)

DAY 16~SATURDAY~JULY 7

LONDON/JACKSONVILLE

This morning your jet lands in London where you connect with your flights home, bringing with you the memories of all the wonderful sights of East Africa. (Meals Aloft)

THINGS YOU NEED TO KNOW ABOUT KENYA

Participants:

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, minibuses, and small aircrafts unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The start and end city for the land only program is Nairobi, Kenya.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

BRING-A-BOOK FOUNDATION

Your safari may include a visit to a local school. We encourage you to bring colorful books and magazines, as well as schools supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and to other countries our travelers visit around the world. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included environmental education efforts in India and Bhutan, wild dog and cheetah conservation in Botswana, Kenya and Namibia, and global Earth Day education via school internet programs. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.

If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

DEPARTURE TAXES: Please note the amount of departure tax reflected on the Reservation Form is subject to change, at the discretion of governments and airlines, and with no advance notice. Should this occur, you will be invoiced prior to departure for any additional taxes imposed.

AIRLINE SEATING: For American Airlines & Kenya Airways flights, we can request a seating preference on your behalf, however this is only a request and NOT guaranteed. **Requests must be made in writing no later than 60 days prior to departure.** Bulkhead and/or emergency row seats can only be requested at airport check in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire during check-in to have a seating change made, however this change is based on availability and is at the sole discretion of airport staff.

FREQUENT FLYER MILEAGE: At time of publication, **American Airlines** is a partner with British Airways, Cathay Pacific, Finnair, Iberia, Japan Airlines, LAN Ecuador, LAN Argentina, LAN Peru, LAN Express, Malev Hungarian Airlines, Qantas Airways and Royal Jordanian Airlines, Aer Lingus, Air Pacific, Air Sahara, Air Tahiti Nui, Alaska Airlines/Horizon Air, Brussels airlines, El Al, Gulf Air, Hawaiian Airlines, Mexicana, TAM and Turkish Airlines. You may obtain frequent flyer mileage on any of these carriers. At the time of publication, **Kenya Airways** is a partner with Aeroflot, AeroMexico, Alitalia, Air France, KLM Royal, China Southern, Continental, CSA Czech Airlines, Delta, Korean Air and Northwest Airlines. You may obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

BAGGAGE: International flights from the U.S. allow two pieces of checked luggage, each not exceeding 50 lbs. However we recommend you travel as light as you can manage. **The baggage limit on domestic flights is one piece at 33 lbs. per person (plus a carry-on bag.)** Also, the size and the structure of the bag is limited. Soft duffel bags are ideal. Large suitcases are virtually impossible to stow on smaller aircraft and vehicles and therefore should not be used. **WE HIGHLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL INSURANCE POLICY.**

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private facilities, and all rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions can change for similar lodging.

SINGLE SUPPLEMENT: Rate quoted is valid for first two single rooms booked. If more than two single rooms, additional supplement will apply. Singles are assigned on a first come/first serve basis. Single accommodations are not guaranteed, but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. On occasion, in smaller hotels, you may be required to share with other members of your tour group if single rooms/cabins are not available upon check-in. If this is the situation, appropriate per diem refunds are made to passengers in the event they paid for a single room but had to share during any portion of their trip. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

MEALS: No meals are provided in Europe. Enjoy all meals on safari while in Kenya. American breakfast, welcome and farewell dinner is provided in Nairobi. Breakfast and dinner are provided daily on the extension.

WILDLIFE VIEWING: Your tour will be conducted in minibuses throughout. All are guaranteed a window seat.

TRANSFERS: Roundtrip transfer of travelers between airports and hotels are included in the tour when arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

TIPS AND TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, lodges and tented camps, and entrance fees to all reserves as outlined in the itinerary are included. U.S. and foreign airport taxes are not included and will be billed prior to your departure. Tips to driver/guides are not included and are at the discretion of the tour members. A suggested tipping chart will be forwarded with the final documents.

INOCULATIONS: We would suggest you contact your personal physician or local health department for their recommendations as to inoculations. At the time of printing, no vaccinations are required for entry into Kenya. However, **it is also a sensible precaution for visitors to**

take one of the preventive pills that are in common use against malaria. Water is NOT safe to drink throughout and it is always advisable to drink bottled water which will be provided for you free of charge in the vehicles.

RATES: All rates quoted are based on tariffs and value of foreign currencies in relation to the U.S. dollar in effect as of October 4, 2011, and are subject to change. Rates are based on a minimum of 10 passengers traveling together (with a maximum of 24 passengers, including Zoo escort). The right is reserved to levy a surcharge if minimum is not met, but that is rarely done. The minimum on the extension is 6 passengers. We will do our utmost to keep to the prices as published. Should increases be forced on us by airlines, exchange rates, etc., we reserve the right to surcharge.

ESCORT: Group will be accompanied by Tony Vecchio with a minimum of 10 passengers on the Kenya safari and with a minimum of six on the extension.

TRIP INFORMATION: Upon receipt of your application, instructions will be sent to you concerning all aspects of your trip, such as itinerary, photographic equipment, documents, clothing, insurance, etc.

INVOICING: Final invoicing of your trip will be done approximately four months prior to departure. Final payment is due 75 days prior to departure (April 8, 2012).

FINAL DOCUMENTS: Final documents and tickets will be sent to you approximately two weeks prior to departure. We regret to advise that no documents can be released if final payments are not received.

PAYMENT SCHEDULE: A deposit of \$750 per person must be submitted with each application, plus an additional deposit of \$250 per person if you wish to take the extension, as well as your insurance payment if you wish to take advantage of the pre-existing medical condition exclusion. Deposits may be paid by check or charged to American Express, MasterCard, Visa or Discover. Final payment is payable by check or money order ONLY and is due no later than 75 days prior to departure (April 8, 2012).

CANCELLATIONS: Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this safari:

- Up to 75 days prior to departure, less \$250 handling fee.
- 74-60 days prior to departure, deposit is forfeited.
- 59-45 days prior to departure, less 50% of tour cost on both the main trip and the extension.
- Less than 45 days prior to departure, refund is dependent on amount recoverable from overseas suppliers.

These cancellation fees are also in addition to any imposed by airlines. **WE STRONGLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL INSURANCE POLICY. INFORMATION WILL BE SENT TO YOU UPON RECEIPT OF RESERVATION FORM.**

DEVIATIONS: Should additional reservations be required, including extensions in Europe or in Africa, we will happy to make all the arrangements. However, there will be an extra charge of \$150 per person for such deviations, over and above the cost of the services required.

CHANGE FEES: Once you reserve your tour, changes are possible subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

LATE BOOKING FEE: Classic Escapes reserves the right to impose a late booking fee to offset additional administrative costs for any reservations received 60 days (or closer) to the program's departure date. This fee is \$250 per person, over and above any costs incurred by airlines and suppliers.

NOT INCLUDED: Cost of passport and visa fees, and service charges for obtaining visa fees; excess baggage charges levied by airlines; meals other than specified; beverages and meals not specified in itinerary; gratuities to driver/guides and other conveyance attendants; laundry and other items of a personal nature; gratuities not imposed by hotels and/or restaurants for included services; optional personal, baggage and tour cancellation insurance policy; U.S. and foreign airport taxes; cost for anything not specifically included in listing above.

WILD ANIMALS: Please be aware that this safari may take you into close contact with wild animals. Attacks by wild animals are rare, but no safari into the African wilderness can guarantee that this will not occur. Neither the company, nor their employees, nor agents can be held responsible for any injury or incident on the safari. Please note that not all camps are fenced.

PASSPORT & VISAS: The onus is upon the guest to ensure that passports and visas are valid for the countries visited. The company, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor for the cost of visas. Visa information will be forwarded upon receipt of reservation.

PHOTOGRAPHY: The Company reserves the right without further notice to make use of any photograph or film taken on the safari by our photographers without payment or permission. We guarantee that no photographs of a compromising nature will be used.

CHANGES TO SCHEDULES: Although every effort is made to adhere to schedules it should be borne in mind that the Company reserves the right and in fact is obliged to occasionally change routes and camps on safaris as dictated by changing conditions. Such conditions may be brought about by seasonal rainfall on bush tracks, airfields and in wildlife areas, by wildlife migrations from one region to another, or airline or other booking problems, etc.

REFUNDS: While the company uses its best endeavors to ensure that all anticipated accommodation is available as planned, there shall be no claim of any nature whatsoever against the Company for a refund either in the whole or part, if any accommodation or excursion is unavailable and a reasonable alternative is not found. If the guest is unable to use any service provided in the itinerary, then there are no refunds due.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission or event during the time the passengers are not on board their planes or conveyance.
