YOUR PROFESSIONAL NATURALIST-GUIDE ROBERT MARKS MOSHI

Robert Marks Moshi is a native Tanzanian with the distinction of being adopted at a very early age and raised by a Scottish missionary doctor. Robert's love for conservation and wildlife started early and he earned his master's degree by focusing on the study of elephants and their behavior. His mentor is Cynthia Moss and he spent time studying in her Amboseli headquarters, as well as at the Daphne Sheldrick Elephant Orphanage in Nairobi. Now a naturalist guide back in his beloved native land, Robert lives in bustling Arusha when he is not showing guests around Tanzania, but he is most at home in the wild where his keen eye can spot a lion or a cheetah in the distance and his passion for his fellow people is evident as he shares insights and lore. Robert has a generous heart and a gentle smile and is excited to share the glories of Tanzania with you.

DAYS 4/5~THURSDAY/FRIDAY~NOVEMBER 8/9

TARANGIRE NATIONAL PARK

The feeling that this is a special, almost magical place strikes you as soon as you enter Tarangire and you witness your first baobab tree. Here the gently rolling countryside is dotted with these majestic trees, which seem to dwarf the animals that feed beneath them. Called the "tree of life," many myths and legends surround *Adansonia digitata* (*Adansonia* for the French surgeon Michel Adanson and *digitata* meaning hand-like, a reference to the shape of the leaves). Your guides regale you with one or two

of these tales as you pass through the park. This stretch of Africa is spectacular in the dry season when many of the migratory wildlife species come back to the permanent waters of Tarangire River. Huge herds of wildebeest, zebra, eland and oryx gather to stay in Tarangire until the onset of the rains when they migrate again to good grazing areas. For those who love birds, Tarangire has over 300 bird species. But, in addition to all those magnificent trees, birds and beasts, Tarangire is superlative for another reason—elephants.

While at Tarangire, you will have a chance to meet with Charles & Lara Foley, duties permitting, who have been conducting research on the elephants of Tarangire for many years. In addition to harboring important populations of oryx and lesser kudu, Tarangire is home to the largest population of elephants in northern Tanzania, now numbering close to 2,500 individuals. The Tarangire Elephant Project has studied this population since 1993 and has photo-identified over 1,000 individual elephants, collecting information on location, family group associations, and births and deaths among 32 family groups and 250 bulls. Due to human encroachment on the surrounding land, many of the migratory corridors have been eliminated for these giant pachyderms and this can be an ecological catastrophe, leading to a crash in the populations of

elephants and other large animals. The Tarangire Elephant Project is working with local communities and tour operators to protect the main dispersal area of the northern sub-population of elephants. Under an agreement with the local villagers, the area will be used for livestock grazing and tourism, thus protecting both wildlife habitat and traditional grazing areas while supplying revenue to the village. The agreement provides a model for protecting wildlife areas outside of national parks.

Built on platforms among a cluster of baobab, mopani and wild fig trees, Tarangire Treetops' stunningly original giant en suite tree houses are all equipped with private verandahs that have sweeping views over the surrounding bush. Sundowners can be enjoyed at the Baobab Bar, which is built around a gracious old baobab tree. This relaxing, elevated 'watering hole' is the perfect spot to contemplate the mesmerizing Tarangire sunsets. Located outside the National Park you are also able to go on night game drives and walking safaris, and two bicycles are available should you wish to take a ride around the camp.

DAYS 6/7~SATURDAY/SUNDAY~NOVEMBER 10/11
NGORONGORO CONSERVATION AREA

Today you venture off to Gibb's Farm for lunch. Gibb's Farm is an oasis of green, calm and beauty, in a landscape that can often be parched, dry and dusty. This privately owned farm is famous for its cuisine. The food is delicious, with fresh vegetables from the gardens cooked with care. Lunch includes a wide selection of savory pies and salads, served buffet style. Also visit a traditional Iraqw home. The Iraqw are the local tribe that has inhabited the immediate Ngorongoro highlands in the area for over 200 years. The home is built entirely using traditional materials and methods of construction, just as it would have been 200 years ago. You will see many of the tools and weapons used by the Iraqw. Try your hand at grinding maize the traditional way using grinding stones and listen to a presentation and demonstration of Iraqw

skirt making. While here you will also have the opportunity to visit a present day Tanzania farm and observe a bio gas plant used for producing gas for cooking and lighting. Continue to the Ngorongoro Conservation Area and your home for the next two nights.

On your second day here, board your Landover for an amazing journey as you descend onto the floor of the crater, a World Heritage site, where you visit an extinct volcano and the largest unbroken caldera in the world. The cone is believed to have collapsed nearly two million years ago, but while the cone was standing, it could have been as tall, if not taller, than Mount Kilimanjaro. The crater (1,800 feet deep and 102 square miles) is a microcosm of East African scenery with abundant wildlife, including more than 25,000 larger animals, mostly zebra and wildebeest. This is also the best place in Tanzania to see magnificent black-maned lions. This area offers an outstanding opportunity to see black rhinos, as they are protected around the clock. Over the years, the floor of this crater has

become mostly savannah (grassland), with a soda lake whose size changes depending on the rains that are the lifeline of this amazing land. On this lake, marvel at the colorful flamingos and a variety of other water birds – more than 100 species of birds are found here that are not found in the Serengeti. Resident ostriches, crowned cranes, and Kori bustards are joined seasonally by migrant flocks of white and Abdim's storks.

Patience may also reward you with glimpses of leopard, cheetah, hyena, jackal, elephant, warthog, buffalo, impala, buffalo, hartebeest, eland and many other antelopes. As you descend, you might be able to see the local Maasai as they take their cattle down the steep walls of the crater. It is their right, negotiated with the government and parks authority, to graze their cattle in about 75% of the crater floor. The mix of cattle with the wild animals makes for some terrific photographs, and the interaction between domestic and wild animals is almost non-existent. Your wildlife-viewing will be dramatic, and the experience memorable. Return to the rim of the crater six hours later (regulations now specify that no one can stay longer than six hours daily on the crater floor) and drive to your lodge in time for a late lunch. In the afternoon, visit a Maasai village and learn about this fascinating culture that has existed through the millennia in perfect harmony with nature.

As if in a land before time, the Ngorongoro Serena Safari Lodge is built at the rim of the crater. The plant and ivy-covered native stone blends masterfully with its surroundings and the flowering plants attract a plethora of colorful birds. Most of the 75 rooms have private terraces with views of the crater floor where countless animals make their home. Here, visitors exist in perfect harmony with the natural environment and the wildlife that inhabits it.

DAYS 8/9~MONDAY/TUESDAY~NOVEMBER 12/13

OLDUVAI GORGE/SERENGETI NATIONAL PARK

You now drive to the legendary Olduvai Gorge. The drive to the gorge is breathtaking, passing through a spectacular mix of savannah grassland and volcanic hills, where red-robed Maasai graze their cattle, before it drops steeply down into the Gorge itself. The name originated from the Maasai word “ole” meaning “the place of” and “dupai” meaning “wild sisal,” a local plant resembling aloe that grows abundantly in the area. This plant has yellow-green, succulent, spear-like leaves that form dense clumps, binding the loose soil of the Gorge and sheltering many other plants and animals. Domesticated sisal, one of the largest exports of Tanzania, is used to produce rope, rugs and baskets that are sold at the local markets.

Olduvai is one of the world’s most important paleoanthropological locations. This is where, in 1959, Mary and Louis Leakey found fossil evidence of the 1.7-million-year-old *Australopithecus Boisei* (*Zinjanthropus*) and *Homo Habilis* (Handyman). Thousands of stone tools, some of which have been used by *Homo Habilis*, have been found at Olduvai; the oldest style is easiest to remember, because it is called Oldowon. In addition to the remarkable human fossils,

prehistoric elephant, giant horned sheep and enormous ostrich fossils have been found here, and extinct species unearthed include three-toed horses and giant antelope. Since the Leakeys first began searching the area for clues to our distant past, more than sixty hominid remains have been excavated, belonging to four different hominids, showing the gradual increase in brain size and in the complexity of their stone tools.

The gorge itself is a very steep-sided ravine roughly 30 miles long and 295 feet deep. It resembles a small Grand Canyon with exposed strata of different layers where the deposits of rich fossil fauna, hominid remains and stone tools were found. The gray lines are volcanic tuffs and eruptions are used to estimate the age of the fossils. You will want to visit the museum that contains a cast of the 3.7 million year old footsteps of *Australopithecus Afarensis* preserved in solidified volcanic ash found at nearby Laetoli

by Mary Leakey in 1979. Outside the museum a Tanzanian guide will explain the geological features of the Gorge and the work of the Leakeys. Resume your drive to Serengeti National Park (3,646,500 acres), the jewel in the crown of Tanzania’s protected areas, with over three million large mammals roaming its plains. It lies between Ngorongoro and Lake Victoria and adjoins Kenya’s Maasai Mara. The Serengeti has come to symbolize paradise to all, including the local Maasai, who have grazed their cattle on the vast grassy plains for generations. To the Maasai, it is Siringitu – “the place where the land moves on forever.” Today, the Serengeti National Park, the Ngorongoro Conservation Area, and the Maasai Mara Reserve across the border in Kenya, protect the greatest and most varied collection of terrestrial wildlife on earth, and one of the last great migratory systems still intact.

More than a million wildebeest, accompanied by hundreds of thousands of zebras and other herbivores, descend upon the short-grass plains of the southeastern Serengeti at the start of the rainy season around December. After calving in January and February, they scatter over the southern and central plains. By May, the rain ends, the grass has been reduced to stubble, and the animals begin their long march to dry-season grazing grounds near the permanent waters of the Serengeti’s northern woodlands and Kenya’s Maasai Mara. Reaching these destinations by July or so, they remain until October, when they head back to the southeastern Serengeti. This struggle for survival continues unaided and unaltered through the millennia!

The Serengeti is incredible to visit any time of the year. In the Seronera Valley, towering yellow fever trees and palm thickets line the Seronera River and its hippo pools. This is a superb area for seeing predators such as lion, leopard and

cheetah, and their prey – giraffe, topi, Bohor reedbuck, Defassa waterbuck, buffalo and impala. The kopjes (prehistoric rock outcroppings) host hyraxes, dwarf mongooses, and red-headed agamas, while patience might reward you with a sleepy black-maned male lion or leopard. The open grassland is home to large groups of Thomson's and Grant's gazelles, spotted hyena, jackal, and such birds as the double-banded courser, Yellow-throated sand grouse, red-capped lark, Fischer's sparrow lark, and capped wheatear. Your twice-daily wildlife drives will allow ample viewing. As an optional excursion, you can take a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active.

Your accommodation, the Serengeti Serena Safari Lodge, is set high on a hill with breathtaking vistas of sweeping grasslands and the unspoiled wild landscape of the Serengeti plains. The lodge design is simple but stunning. Inspired by a traditional African village, separate rondavel "huts" house the luxury guest rooms that have their own view of the vast Serengeti plains. From the overall impression to the smallest detail, the lodge is rich in local atmosphere created by indigenous handicrafts and art. A delightful water feature runs through the main public areas, creating a natural source of waterborne plants and provides a home to many native species of reptiles, amphibians and birds.

OPTIONAL POST-EXTENSION TO ZANZIBAR

DAY 12~FRIDAY~NOVEMBER 16

ARUSHA/ZANZIBAR

Transfer to the airstrip this morning for your flight back to Arusha, where you bid farewell to your fellow tour members who are returning to the USA and embark on your adventure to Zanzibar, the best kept secret in the Indian Ocean, with its fascinating history and magnificent beaches. The Assyrians, Sumerians, Egyptians, Phoenicians, Indians, Chinese, Persians, Portuguese, Omani Arabs, Dutch and English have all been here at one time or another. Some, particularly the Shirazi Persians and Omani Arabs, stayed to settle and rule. With this influence, Zanzibar has become predominantly Islamic, with the remaining population made up of Christians, Hindus and Sikhs. The earliest visitors to Zanzibar were Arab traders who are said to have arrived in the 8th Century. For centuries they sailed with the Monsoon winds from Oman to trade primarily in ivory, slaves and spices. The earliest building that remains on Zanzibar is the mosque at Kizimkazi that dates from 1107 and is a present-day tourist attraction. Zanzibar has two main islands, Unguja (normally known as Zanzibar Island) and Pemba. Stone Town, located on Zanzibar Island, is the old city and cultural heart of Zanzibar, where little has changed in the last 200 years. It is a place of winding alleys, bustling bazaars, mosques and grand Arab houses whose original owners vied with each other over the extravagance of their dwellings. This one-upmanship is particularly reflected in the brass-studded, carved, wooden doors - there are more than 500 different examples of this handiwork. Stone Town was recently and deservedly declared a World Heritage Site by UNESCO.

Begin to experience Zanzibar's fascinating history and vibrant culture with a tour of fabled Stone Town. Visit the House of Wonders, the Palace Museum (People's Palace), Dr. Livingstone's House, the Arab Fort, and the National Museum of Zanzibar, which houses relics from the times of the Sultans and early explorers. See Zanzibar's bustling market, winding alleyways, ornately carved and studded doors, two cathedrals and countless mosques. Visit the Anglican Church, built in 1874 on the site of the old slave market, and see the chambers beneath it where slaves were held before they were sold. You will see the site of Sultan Barghash's harem at Marahubi, with its colorful history. Stone Town also has many excellent gifts shops with plenty of souvenirs and handicrafts to choose from.

Upon arrival at the airport you will be transferred to the Zanzibar Serena Inn, which has joined the ranks of the world's finest resorts as a member of *Small Luxury Hotels of the World*. This stunning property is set in two historic seafront buildings that have been masterfully restored to their previous grandeur when Zanzibar was a crossroads visited by travelers and merchants from all corners of the globe. Interiors echo Zanzibar's rich Arabic influence – or *ustaarabu* – as well as the island's indigenous East African roots. The rooms are elegant and romantic, each overlooking the azure waters of the Indian Ocean. There is a restaurant and bar as well as an outdoor swimming pool with poolside cafe bar and shop. An extensive selection of recreation and water sport activities are available to guests.

Overnight at the ZANZIBAR SERENA INN. (B,L) www.serenahotels.com

DAY 13~SATURDAY~NOVEMBER 17

ZANZIBAR/JOZANI FOREST

The history of Zanzibar would be incomplete without the cloves, nutmeg, cinnamon, pepper and many other spices that brought the Sultans of Oman and the beginnings of the infamous slave trade. This afternoon, you will visit a plantation and have your senses dazzled with fresh spices. A detailed description will be given about these spices and their uses in cooking and cosmetics. You will be fascinated by the sheer number of spices produced and their incredible value for many ailments. This is an excellent opportunity to

purchase spices and spice oils at the best prices.

Drive to the Jozani Natural Forest Reserve, located in the central east region of Zanzibar Island and home to the rare red colobus monkey, endemic to Zanzibar and named for a red spot on its head. These habituated monkeys are full of character, and although completely free, tend to feed just outside the reserve's perimeter. They are extraordinarily photogenic as they leap from tree to tree just above you. Jozani is home to other species including Syke's monkeys, small buck and bushpigs. The elusive Zanzibar leopard, last sighted several years ago, is said to feed here at night. (Perhaps this is why the reserve is only open during the day?) Jozani has an excellent nature trail and the guides are well-trained and informative.

DAYS 14/15~SUNDAY/MONDAY~NOVEMBER 18/19

ZANZIBAR~ MATEMWE BUNGALOWS

Today you drive to your resort by the sea and your home for the next two nights, where the remainder of the day is at leisure. Enjoy two days of decadent leisure as you relax at your own pace. One afternoon, you may visit Kizimkazi (*optional*), an interesting fishing village at the southern point of the island that is the site of a 12th Century mosque, and the earliest evidence of Islam in East Africa. Here you will board a small boat to search for the spinner and bottle-nosed dolphins that are commonly seen here. Once found, you will be invited to enter the water to swim with the dolphins that seem to be as curious about you as you are of them.

Matemwe Bungalows is a small, intimate guest lodge situated on a rocky outcrop above a magnificent stretch of beach in north-east Zanzibar. It's by far one of the best, and most popular, guest lodges in Zanzibar, offering wonderful personal service and great views over Mnemba. The rooms of the main lodge are strung out along the rocky coastline. There is a beautiful sweep of white beach situated at the far end beyond the lodge. The thatched bungalows nestled in gardens along the sea cliff, all with views of the sea. The lodge offers kayaking and snorkeling within the protective fringing reef as well as sailing on their dhow or with a local fisherman in their wooden outrigger canoe. You can also walk to the village or explore the beach on hired bicycles. The open-walled restaurant is gloriously positioned with views of the ocean. It's decorated

attractively with light wooden tables and dark-blue canvas chairs. Meals combine African and European flavors. Breakfast is a variety of fruit, yoghurt, eggs and bread. Ask for the spicy tea. Lunch is a generous buffet and dinner usually is a three-course, set meal with a choice of meat, fish or vegetarian. The desserts choccie pud and crème caramel - are always delicious. BRING-A-BOOK FOUNDATION

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and to other countries our travelers visit around the world. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included environmental education efforts in India, wild dog and cheetah conservation in Botswana, Kenya and Namibia, and global Earth Day education via school internet programs. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.

THINGS YOU NEED TO KNOW ABOUT TANZANIA

Participants:

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, minibuses, and small aircrafts unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur.
- A spirit of adventure and curiosity.
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The start and end city for this program is Arusha, Tanzania. Extension comes back from Nairobi or Dar es Salaam.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

DEPARTURE TAXES: Please note the amount of departure tax reflected on the Reservation Form is subject to change, at the discretion of governments and airlines, and with no advance notice. Should this occur, you will be invoiced prior to departure for any additional taxes imposed.

AIRLINE SEATING: For American Airlines and Kenya Airways, we request seats together for the group. All planes are non-smoking. We can request a seating preference on your behalf, however this is only a request and not guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire during check-in to have a seating change made, however this change is based on availability and is at the sole discretion of airport staff.

FREQUENT FLYER MILEAGE: At time of publication, **American Airlines** is a partner with British Airways, Cathay Pacific, Finnair, Iberia, Japan Airlines, LAN Ecuador, LAN Argentina, LAN Peru, LAN Express, Malev Hungarian Airlines, Qantas Airways and Royal Jordanian Airlines, Aer Lingus, Air Pacific, Air Sahara, Air Tahiti Nui, Alaska Airlines/Horizon Air, Brussels airlines, El Al, Gulf Air, Hawaiian Airlines, Mexicana, TAM and Turkish Airlines. You may obtain frequent flyer mileage on any of these carriers. At the time of publication, **Kenya Airways** is a partner with Aeroflot, AeroMexico, Alitalia, Air France, KLM Royal, China Southern, Continental, CSA Czech Airlines, Delta, Korean Air and Northwest Airlines. You may obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

BAGGAGE: International flights from the U.S. allow one piece of checked luggage, not exceeding 50 lbs. However we recommend you travel as light as you can manage. **The baggage limit on domestic flights is one piece at 33 lbs. per person (plus a carry-on bag.)** Also, the size and the structure of the bag is limited. Soft duffel bags are ideal. Large suitcases are virtually impossible to stow on smaller aircraft and vehicles and therefore should not be used. **WE HIGHLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL INSURANCE POLICY.**

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private facilities, and all rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions can change for similar lodging.

SINGLE SUPPLEMENT: Rate quoted is valid for first two single rooms booked. If more than two single rooms, additional supplement will apply. Singles are assigned on a first come/first serve basis. Single accommodations are not guaranteed, but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. On occasion, in smaller lodges and camps, you may be required to share with other members of your tour group if single rooms are not available upon check-in. If this is the situation, appropriate per diem refunds are made to passengers in the event they paid for a single room but had to share during any portion of their trip. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

MEALS: No meals are provided in Europe. All meals on safari in Tanzania, all other meals as specified.

WILDLIFE VIEWING: Your tour will be conducted in 4X4 vehicle with photo roof, driven by a naturalist guide. All are guaranteed a window seat.

TRANSFERS: Round-trip transfer of travelers between airports and hotels are included in the tour when arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

TIPS AND TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, lodges and tented camps, and entrance fees to all reserves as outlined in the itinerary are included. U.S. and foreign airport taxes are not included and will be billed prior to your departure. Tips to driver/guides are not included and are at the discretion of the tour members. A suggested tipping chart will be forwarded with the final documents.

INOCULATIONS: We would suggest you contact your personal physician or local health department for their recommendations as to inoculations. A Yellow Fever shot is now mandatory for visitors entering Tanzania or Zanzibar, if coming from a Yellow Fever endemic zone. **It is also a sensible precaution for visitors to take one of the preventive pills that are in common use against malaria.** Water is NOT safe to drink throughout and it is always advisable to drink bottled water which will be provided for you free of charge in the vehicles.

RATES: All rates quoted are based on tariffs and value of foreign currencies in relation to the U.S. dollar in effect as of October 6, 2011, and are subject to change. Rates are based on a minimum of 10 passengers traveling together (with a maximum of 24 passengers, including Organization

escort). The right is reserved to levy a surcharge if minimum is not met, but that is rarely done. We will do our utmost to keep to the prices as published. Should increases be forced on us by airlines, exchange rates, etc., we reserve the right to surcharge.

ESCORT: Group will be accompanied by an escort with a minimum of 10 passengers on both the main trip and the extension.

TRIP INFORMATION: Upon receipt of your application, instructions will be sent to you concerning all aspects of your trip, such as itinerary, photographic equipment, documents, clothing, insurance, etc.

INVOICING: Final invoicing of your trip will be done approximately four months prior to departure. Final payment is due 75 days prior to departure. (August 22, 2012)

FINAL DOCUMENTS: Final documents and tickets will be sent to you approximately two weeks prior to departure. We regret to advise that no documents can be released if final payments are not received.

PAYMENT SCHEDULE: A deposit of \$750 per person must be submitted with each application, plus \$250 for the extension, as well as your insurance payment if you wish to take advantage of the pre-existing medical condition exclusion. Deposits may be paid by check or charged to American Express, MasterCard, Visa or Discover. Final payment is payable by check or money order ONLY and is due no later than 75 days prior to departure. (August 22, 2012)

CANCELLATIONS: Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this safari:

- Up to 75 days prior to departure, less \$250 handling fee.
- 74-60 days prior to departure, deposit is forfeited.
- 59-45 days prior to departure, less 50% of tour cost.
- Less than 45 days prior to departure, refund is dependent on amount recoverable from overseas suppliers.

These cancellation fees are also in addition to any imposed by airlines. **WE STRONGLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL INSURANCE POLICY. INFORMATION WILL BE SENT TO YOU UPON RECEIPT OF RESERVATION FORM. INSURANCE PREMIUMS ARE NOT REFUNDABLE.**

DEVIATIONS: Should additional reservations be required, including extensions in Europe or in Africa, we will happy to make all the arrangements. However, there will be an extra charge of \$150 per person for such deviations, over and above the cost of the services required.

CHANGE FEES: Once you reserve your tour, changes are possible subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

LATE BOOKING FEE: Classic Escapes reserves the right to impose a late booking fee to offset additional administrative costs for any reservations received 60 days (or closer) to the program's departure date. This fee is \$250 per person, over and above any costs incurred by airlines and suppliers

NOT INCLUDED: Cost of passport and visa fees, and service charges for obtaining visa fees; excess baggage charges levied by airlines; meals other than specified; beverages and meals not specified in itinerary; gratuities to driver/guides and other conveyance attendants; laundry and other items of a personal nature; gratuities not imposed by hotels and/or restaurants for included services; optional personal, baggage and tour cancellation insurance policy; U.S. and foreign airport taxes; cost for anything not specifically included in listing above.

WILD ANIMALS: Please be aware that this safari may take you into close contact with wild animals. Attacks by wild animals are rare, but no safari into the African wilderness can guarantee that this will not occur. Neither the company, nor their employees, nor agents can be held responsible for any injury or incident on the safari. Please note that not all camps are fenced.

PASSPORT & VISAS: The onus is upon the guest to ensure that passports and visas are valid for the countries visited. The company, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor the cost of visas. Visa information will be forwarded upon receipt of reservation.

RESPONSIBILITY: Neither Classic Escapes (the Company) nor any person or agent acting for, through or on behalf of the Company shall be liable for any loss or damage whatsoever arising from any cause whatsoever and without restricting the generality of the afore going shall particularly not be responsible for loss or damage arising from any errors or omissions contained in its brochure or other literature, loss or damage caused by delays, sickness, theft, injury or death. In addition, the Company shall have the right at any time at its discretion to cancel any safari or the remainder thereof or make any alteration in route, accommodation, price or other details and, in the event of any safari being rendered impossible, illegal or inadvisable by weather, strike, war, government or interference or any other cause whatsoever, the extra expenses incurred as a result thereof shall be the responsibility of the passenger. The Company may at its discretion and without liability or cost to itself at any time cancel or terminate the guest's booking and in particular without limiting the generality of the afore going it shall be entitled to do so in the event of the illness or the illegal or incompatible behavior of the guest, who shall in such circumstances not be entitled to any refund. The person making any booking will, by the making of such booking, warrant that he or she has authority to enter into a contract on behalf of the other person included in such a booking and in the event of the failure of any or all of the other persons so included to make payment, the person making the booking shall by his/her signature thereof assume personal liability for the total price of all bookings made by him/her.

PHOTOGRAPHY: The Company reserves the right without further notice to make use of any photograph or film taken on the safari by our photographers without payment or permission. We guarantee that no photographs of a compromising nature will be used.

CHANGES TO SCHEDULES: Although every effort is made to adhere to schedules it should be borne in mind that the Company reserves the right and in fact is obliged to occasionally change routes and camps on safaris as dictated by changing conditions. Such conditions may be brought about by seasonal rainfall on bush tracks, airfields and in game areas, by game migrations from one region to another, or airline or other booking problems, etc.

REFUNDS: While the company uses its best endeavors to ensure that all anticipated accommodation is available as planned, there shall be no claim of any nature whatsoever against the Company for a refund either in the whole or part, if any accommodation or excursion is unavailable and a reasonable alternative is not found. If the guest is unable to use any service provided in the itinerary, then there are no refunds due.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule.

If one of our guides is unable to take a tour due to illness, etc. we reserve the right to substitute with another guide. This agreement is made subject to and shall be governed by and construed according to the laws of the country in which the tour takes place. Classic Escapes act merely as an agent for the operating companies. To the best of our knowledge the itinerary is correct at the time of writing. We cannot be held responsible for any inaccuracies or changes that may occur after printing.

CONSENT: The payment of the deposit OR any other partial payment for a reservation on a safari constitutes consent by all guests covered by that payment to all provisions of the conditions and general information contained in this brochure whether the guest has signed the booking form or not. The terms, under which you agree to take this safari, cannot be changed or amended except in writing, signed by an authorized director of the Company.

INSURANCE: It is a condition of booking that the sole responsibility lies with the guest to ensure that they carry the correct comprehensive travel and medical insurance to cover themselves, as well as any dependants/traveling companions for the duration of their trip. This insurance should include cover in respect of, but not limited to, the following eventualities: cancellation or curtailment of the program, emergency evacuation expenses, medical expenses, repatriation expenses, damage/theft/loss of personal baggage, money and goods. Classic Escapes, including their representatives, employees and agents will take no responsibility for any costs, losses incurred or suffered by the guest, or guest's dependants or traveling companions, with regards to, but not limited to, any of the above mentioned eventualities. Guests will be charged directly by the relevant service providers for any emergency services they may require, and may find themselves in a position unable to access such services should they not be carrying the relevant insurance cover. **PLEASE NOTE INSURANCE PREMIUMS ARE NON-REFUNDABLE SHOULD TOUR BE CANCELED BY PARTICIPANT.**
