LOS ANGELES/EN ROUTE

Your journey begins as you board your South African Airways overnight flight. (Meals Aloft)

JOHANNESBURG

Upon arrival at the Johannesburg International Airport this afternoon, you will be met and escorted to your hotel. It is the city of gold, as its claim to fame is the gold that was discovered close-by.

Upon arrival at the Johannesburg International Airport today, you will be met and escorted to your nearby hotel within walking distance, the Southern Sun – a great, relaxing place to begin your journey into South Africa's capital city. DAYS 3/4 ~ SATURDAY/SUNDAY ~ MARCH 3/4

MAUN/CENTRAL KALAHARI GAME RESERVE

Today you will fly to Maun, Botswana, where upon arrival you will board your light aircraft for your flight to the

Central Kalahari Game Reserve – one of the most remote and unspoiled experiences on the African continent. At over 20,000 square miles this reserve is one of the largest in the world. The abundance of herbivores and their prey is perfectly complemented with lush green landscapes, floral displays and beautiful skies. At this time of year these verdant flatlands are alive with aggregations of gemsbok, springbok and blue wildebeest. As a result of these populations on the fossil riverbeds, predator concentrations are also high and sightings of the almost mythical black-maned Kalahari lions are complemented with some of the best cheetah viewing in Africa. Wild dog and leopard are seen on occasion and black-backed jackal, bat-eared fox also occur. Other mammal possibilities include southern giraffe, steenbok, red hartebeest, and the charismatic ground squirrels.

After sunset the Kalahari is alive with the sounds of roaring lions, White-faced Scops-Owls and the garrulous calls of barking geckos. The avifauna in the reserve is equally diverse with over 220 species recorded to date. There are significant healthy populations of regionally threatened species like Kori Bustard and Lappet-faced Vulture, but birders will enjoy the opportunity to see a variety of arid-west endemic species such as Burchell's Sandgrouse, Grey-backed Sparrowlark, Kalahari Scrub-Robin and African Wren-Warbler. The vivid colors of birds such as Crimson-breasted Shrike and Violet-eared Waxbill provide a startling contrast to the sometimes stark surroundings.

Prime wildlife viewing areas include places with evocative names such as Deception Valley and Sunday Pan, made famous by Mark and Delia Owen in their book "*Cry of the Kalahari.*" The former is all that remains of an ancient riverbed which today is a 50 miles-long gentle valley floor covered with short palatable grasses interspersed with picturesque tree islands. The name 'Deception' is derived from the mirage effect caused by the dry surface of the pan halfway along its length which often appears misleadingly full of water.

Your home for the next two nights will be in the rustic 12-tented camp situated in a remote part of this productive and diverse protected area. The camp is beautifully situated on a low sandy ridge fringing a typical Kalahari pan. Guided wildlife drives and walks will unlock the fascinating wildlife treasures found in this wonderful area.

DAYS 5/6/7 ~ MONDAY/TUESDAY/WEDNESDAY ~ MARCH 5/6/7
OKAVANGO DELTA/BANOKA BUSH CAMP

Board your light aircraft once again for your flight to one of the world's most distinctive regions, the Okavango Delta – earth's largest inland water systems. Its headwaters start in Angola's western highlands, with numerous tributaries joining to form the Cubango River, which then flows through Namibia (called the Kavango) and finally enters Botswana, where it is then called the Okavango. Millions of years ago the Okavango River used to flow into a large inland lake called Lake Makgadikgadi (now Makgadikgadi Pans). Tectonic activity and faulting interrupted the flow of the river causing it to backup and form what is now the Okavango delta. This has created a unique system of water ways that now supports a vast array of animal and plant life that would have otherwise been a dry Kalahari savannah.

The Banoka Bush Camp is situated in the Khwai Community Concession in a private area in the north eastern parts of the beautiful Okavango Delta. Accommodation consists of ten tented units with en-suite facilities. The main camp area boasts a lounge as well as a dining area offering beautiful views. The camp is named in honor of the River San, or Banoka, ancestors of the Khoi and the earliest settlers of the Okavango Delta. The magnificent location of Banoka Bush Camp offers fantastic wildlife viewing opportunities. The narrow Khwai Channel is home to large mammals such as hippo and crocodile with buffalo and red lechwe grazing along the fringe. Elusive roan antelope often come to the river to drink. Mopane woodland and permanent water attract large numbers of elephants to the area.

Larger predators include lion, wild dog and spotted hyena and birdlife found here is just as varied thanks to the wide array of habitats. Some 450 bird species can be seen in the area.

DAYS 8/9 ~ THURSDAY/FRIDAY ~ MARCH 8/9
OKAVANGO DELTA/MOREMI GAME RESERVE/XIGERA CAMP

This morning's flight takes you to your home for the next two nights Xigera Camp (pronounced *keejera*), situated in the heart of the Okavango on Paradise Island, within the Moremi Game Reserve. The camp consists of ten luxuriously furnished walk-in tented rooms, each with en-suite facilities and outdoor showers. All rooms are raised off the ground and are built within a shady grove offering superb views of the floodplain to the east of camp and its attractive waterhole that is frequently visited by lechwe. Meals are taken in the dining room overlooking the main river, which along with the

pub and lounge is under a thatch roof. You may also choose to take a beautifully prepared picnic onto one of the nearby islands for a more secluded and intimate experience.

Activities focus mainly on mokoro (small, dugout canoes) rides through the quiet waterways, as well as short walking safaris. You may get lucky enough to get good views of the elusive sitatunga antelope along the way – with its webbed feet, the sitatunga seems to walk on water. Drives are also offered (if water levels are low enough) as well as boat trips on the river (if water levels are high enough). Game drives are best here in the summer months. Birding in the area is excellent, with Pels Fishing Owl, Slaty Egret and Wattled Crane amongst the many species of birds regularly sighted. One very unique feature that Xigera offers is the footbridge in front of the camp. It is the only way predators can cross from island to island without having to swim. A "long-jump pit" has been built with soft sand, which each animal is forced to walk over when they use the bridge. Every evening the sand is raked smooth. Each morning guests are able to read the "newspaper" and see what animals have walked through camp. Almost every night lion, hyena and leopard stroll through camp.

OPTIONAL PRE-EXTENSION TO CAPE TOWN, SOUTH AFRICA

DAY 1 ~ SUNDAY ~ FEBRUARY 26

LOS ANGELES/EN ROUTE

Your journey begins as you board your South African Airways overnight flight. (Meals Aloft)

DAY 2 ~ MONDAY ~ FEBRUARY 27

JOHANNESBURG/CAPE TOWN

Upon arrival at the Johannesburg International Airport you will connect with your flight to Cape Town, South Africa's "Mother City". Upon arrival, you will be met and escorted to your hotel. The provincial capital, Cape Town, is a sophisticated city with plenty to see and do, particularly around the Victoria and Alfred Waterfront area, where delightful buildings of the Cape Dutch and Victorian-era architecture have been restored as shops, restaurants, museums and pubs, as the busy water traffic of the docks goes on unabated. The Aquarium is within easy walking distance from your hotel, and well worth a visit. If interested in shopping, the area has a larger shopping plaza and numerous fine shops. Cape Town, which faces north across Table Bay, has thrived from its birth, first as a Dutch settlement in 1652 when Jan van Ribeeck established it as a supply station for ships of the Dutch East India Company, and later, under the British as a port supplying ships with food and fresh water from the perennial mountain streams.

Your home for the next four nights will be at Winchester Mansions, situated on Cape Town's Platinum mile and overlooking the Atlantic Ocean. This exclusive, privately-owned 4 star hotel sets itself apart among other hotels in and around Cape Town with its spectacular beachfront location, stylish elegance and personalized service. Each of the 51 guestrooms and 25 suites has been exquisitely furnished by one of Cape Town's leading interior designers. All rooms and suites have stocked mini-bars, satellite television including

international channels, direct dial telephones, tea & coffee making facilities, hairdryers, electronic safes and beautifully furnished bathrooms with separate walk in showers. All rooms have air conditioning. Each elegantly appointed room or suite has breathtaking views of either the Atlantic Ocean or historic Signal Hill. After your long flights, Winchester Mansions is a welcome retreat.

Overnight at WINCHESTER MANSIONS. (B)

DAY 3 ~ TUESDAY ~ FEBRUARY 28
CAPE TOWN/CAPE PENINSULA

Your luxury motorcoach takes you on a breathtaking coastal drive to the Cape of Good Hope. You are surrounded by spectacular mountains, rugged shorelines, and the blue sea below. See Devil's Peak, Lion's Head, Table Mountain and the Twelve Apostles. Pass quaint seaside towns as you continue to Cape Point where the stormy waters of the Atlantic meet up with the calm waters of the Indian Ocean. At Cape Point, climb the steps or ride a funicular to the top where you can explore a lighthouse, enjoy the views or even indulge in a bit of shopping. Take a close look at

the ocean where you may see southern right whales in the spring and early summer as well as dolphins and a variety of seabirds. You will also have the chance to explore the Cape Point Nature Reserve which is host to approximately half of the 2,700 species of indigenous plants contained in the Cape Peninsula. Look for the distinctive orange found in leucospermums, one of the rarest types of proteas – the mimites, marvel at the helicrysums and pelarganium callullums, and enjoy the ericas, phenacomias and fine bush which the Dutch called “fynbos.” There are 250 species of birds in the reserve, ranging from ostriches to minuscule sunbirds. Caracal, chacma baboon, a wide variety of buck and various other mammal species may be seen, including Cape Mountain zebra and the bontebok which is endemic to this part of the world. The baboons feed occasionally on marine foods which they garner at low tide. At Olifants Bay, look for Oystercatchers, and enjoy some superb birding.

Enjoy lunch at a local restaurant, and continue to Boulders Beach where the African (Jackass) Penguins can be seen – also known as the Black-footed Penguins. These flightless seabirds are found only on the coast of Southern Africa and the only penguins found on this continent. Enjoy a delightful walk on a specially-built platform onto the little sheltered beach where they nest among the rocks, and "waddle" up and down into and out of the sea. Since the penguins are accustomed to human presence you can safely get within a few feet of them as you stand on the platform, and it is sometimes possible to view them nesting behind rocks and bushes.

Return to Cape Town in the evening, where you have another chance to discover one of the numerous restaurants that Cape Town has to offer

Overnight at WINCHESTER MANSIONS. (B,L)

DAY 4 ~ WEDNESDAY ~ FEBRUARY 29

CAPE TOWN: WINELANDS

Today you will venture off on a full day expedition to the wine lands region situated below the spectacular Boland Mountains only 50 minutes from the city. Discover the internationally acclaimed vineyards of Stellenbosch, Paarl and Franschhoek on the Western Cape, along a most scenic route. You will visit the historic estate of Boschendal with some of the most brilliantly preserved Cape Dutch buildings in the Cape, and its collection of priceless period furniture. You will also visit Franschhoek with its lovely antique shops and gardens, nestled in the "Valley of the Huguenots" where the French first settled in 1688.

All the wine estates you will be visiting in the region offer tastings and cellar tours and you will enjoy lunch in one of them. This afternoon, explore the university town of Stellenbosch, the oldest town in South Africa after Cape Town, undoubtedly the most scenic and historically-preserved town in Southern Africa. Oak-lined streets next to water furrows compliment the many fine examples of elegant Cape Dutch, Victorian and Georgian architecture - all part of this unique "Town of Oaks".

Overnight at WINCHESTER MANSIONS. (B,L)

DAY 5 ~ THURSDAY ~ MARCH 1

CAPE TOWN: KHAYELITSHA (NEW HOPE)/TABLE MOUNTAIN & ROBBEN ISLAND

Today you will visit the settlement of Khayelitsha, on the Cape Flats. Khayelitsha means "new hope" and was established in 1984 during the tribal war outbreak in informal settlements. Like many other townships, it was created during the apartheid era as a dormitory area for the working class. Today residents continue to face challenges of HIV/AIDS and poverty in post-apartheid South Africa.

You will meet your guide, founder Vivian Zilo, and spend time with her gaining a personal insight into her work in the community and learning more about the area in which they live. Vivian established the Iliso Care Society in June 2005 when she solicited the help of four other women to begin providing services to her community. The mission of the Iliso Care Society is to fight poverty, encourage community empowerment, organize workshops for youth, provide safety and care for orphans and vulnerable children, the elderly and school children. ICS started giving meals to over 100 beneficiaries once a day from Monday through Friday, but the numbers were increasing each and every day. Today, Vivian brings new hope to the people of Khayelitsha and you will get a chance to experience this first hand.

Enjoy lunch in a local restaurant, sampling typical African food and hospitality in an authentic setting.

Get a feel of what Cape Town is all about by taking the cable car to the top of Table Mountain, the signature of this city, easily one of the most recognizable mountains. This tour is very dependent on the wind factor, as well as the clouds. Many a times a cloud covers this flat-topped mountain, which rises to 3,563 feet above sea level and the locals affectionately say it's a white tablecloth. Legend has it that a retired pirate, on climbing the mountain met up with the devil. In order to preserve his soul, the pirate challenged the devil in a smoking contest. So they stoked up their pipes and have been smoking ever since. For centuries Table Mountain has been a guiding beacon to mariners rounding the Cape of Southern Africa. Sir Francis Drake described it as "the most stately thing and the fairest cape we saw in the whole circumference of the earth." Despite its formidable appearance, it is possible to hike up Table Mountain. The first recorded ascent was in 1503 by the Portuguese navigator Antonio da Saldanha who, confused by the Cape Peninsula geography, climbed to the summit via the frontal cleft, now known as Platteklip Gorge. For nature lovers, the birding is awesome, and the wild flowers include agapanthus, watsonias and red nerines which poke out from rock crevices amid a scrub of ericas and gnarled proteas. More than 1400 species of flowering plants have been recorded on the mountain which makes it a spectacular sight in the spring. Cute guinea pig-like creatures known as rock dassies, or hyraxes, (genetically, the closest living relatives to elephants) scuttle everywhere. They are not afraid and scamper among the tourists seeking to be fed.

Your day draws to a close as you visit one of the most symbolically significant and moving sights in South Africa, Robben Island. For nearly 400 years, Robben Island was a place of banishment, exile, isolation and imprisonment. It was here that rulers sent those they regarded as political troublemakers, social outcasts and the unwanted of society. During the apartheid years Robben Island became internationally known for its institutional brutality. The duty of those who ran the Island and its prison was to isolate opponents of apartheid and to crush their morale. Some freedom fighters, including former President Nelson Mandela, spent more than a quarter of a century in prison for their beliefs. Those imprisoned on the Island succeeded on a psychological and political level in turning a prison 'hell-

hole' into a symbol of freedom and personal liberation. In 1997 Robben Island became a National Museum and National Monument. The Museum is a dynamic institution, which runs educational programs for schools, youths and adults, facilitates tourism development, conducts ongoing research related to the Island and fulfills an archiving function. It was listed as a World Heritage Site by UNESCO in 1999. Tours are conducted by former prisoners of Robben Island, who bring to life this South African heritage, which speaks of heroic endurance and triumph of the human spirit in the face of enormous hardship and adversity.

Overnight at WINCHESTER MANSIONS. (B,L)

DAY 6 ~FRIDAY ~ MARCH 2 CAPE TOWN/JOHANNESBURG

The day is at your own leisure to relax or take advantage of the excellent shopping opportunities nearby. Later today, you will be transferred to the airport for your flight back to Johannesburg to meet up with the group arriving from the USA this evening. (B)

OPTIONAL POST-EXTENSION TO VICTORIA FALLS, ZAMBIA

DAYS 10/11 ~ SATURDAY/SUNDAY ~ MARCH 10/11

LIVINGSTONE/VICTORIA FALLS, ZAMBIA

Bid farewell to the rest of the group returning to the USA today and get set for a new adventure as you fly to Kasane where you will cross by ferry to Zambia and continue by vehicle to Livingstone, located on the Zambian side of Victoria Falls. At more than twice the size of Niagara Falls it's no surprise that Victoria Falls are among the Seven Wonders of the

World. Mosi-oa-Tunya - *The Smoke that Thunders*, derived from the towering column of spray when the Zambezi River runs high, is the name that Zimbabwe's local people have given to this awesome natural phenomenon. The name is probably more appropriate and descriptive than "Victoria", which has a far too calm and composed ring to it to do justice to the masses of thundering, swirling water of these spectacular falls. But all Dr. David Livingstone probably thought of when he named the falls after his Queen in 1855 was his royal duty. Five separate falls make up this incredible spectacle that plunges more than 300 feet into a sheer-sided chasm which

separates Zimbabwe from Zambia. The awe-inspiring abyss is spanned by a 1905 Edwardian bridge which links the two countries and many adventurers now use to bungee jump. The masses of water plunging down the falls and into the gorge below originate from the mighty Zambezi River that meanders through more than 1,677 miles of African countryside.

Your visit will include a tour of the falls on the Zambian side. An afternoon sundowner cruise on a private boat will be a highlight as you glide along the Zambezi River, watching hippos snort, elephants drink on the riverbank, monkeys jump from branch to branch, birds fly overhead or pose for a photograph on the branches, and much more. Enjoy your gin and tonic, cool beer, or drink of choice, and see a panoramic sunset as the sun dips below the horizon, painting the whole area in unbelievable colors of brilliant reds, yellows, purples and mauves.

Enjoy a visit to an authentic native village to see how the local people live. You will be escorted by your English-speaking village guide, seeing a culture and ways of life that remains virtually unchanged through the ages. View their daily rituals, from the women cooking and mending their huts, to the artistic woodcarvings created right in front of you by the village artisans. Children scatter about and you are welcome to mingle and take photographs. Long after you've left, this cultural visit will remain with you, as you'll feel as though you've experienced a different part of Africa, quite essential if you're to understand the complexity of this continent.

Overlooking the mighty Zambezi River and some of its islands, under a shady canopy of jackal berry and water berry trees lies Toka Leya, your accommodation for the next two nights. The islands in front of camp are intriguing and part of the braided channel of the Zambezi with some rapids, a main channel and fringing dense vegetation. The camp consists of 12 safari-style tents, each en-suite with a view of the magnificent Zambezi River and some of its islands. The camp's dining and bar area is set beneath a shaded canopy of trees overlooking the River and a swimming pool.

THINGS YOU NEED TO KNOW ABOUT SOUTHERN AFRICA

Participants:

- Must be able to fly in small planes. Some may be 12-seater caravans and others may be as small as 4-seaters.
- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles and boats/mokoros unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads during wildlife drives, as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur.
- A spirit of adventure and curiosity.
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, most locations are nestled in absolute luxury where pampering is the norm.

Air Schedules:

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The start city and end city is Johannesburg.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.
