YOUR ITINERARY

DAY 1~SUNDAY~JUNE 3

COLUMBUS/EN ROUTE

Your journey begins as you board your American Airlines overnight flight to London. (Meals Aloft)

DAY 2~MONDAY~JUNE 4

LONDON/EN ROUTE

Arrive in London's Heathrow Airport this morning, where you're met and escorted to a nearby airport hotel where private dayrooms are reserved for you. Your brief stopover is a welcome opportunity for rest and leisure. There is a time differential between continents, and the mind and body have to adjust. This evening, return to the terminal for your overnight flight to Nairobi via Kenya Airways. (Meals Aloft)

DAY 3~TUESDAY~JUNE 5

NAIROBI

Arrive Nairobi this morning and transferred to your luxury hotel.

After a short briefing about the wonderful events ahead, get set for an exciting adventure as you visit Daphne Sheldrick's Elephant Orphanage at the edge of Nairobi National Park, which is a nursery and rehab center for infant elephants that have lost their families, as well as rhino and occasionally zebras and other wildlife. Daphne was the first person to successfully master the art and raise orphan infant elephants. The wife of the famous naturalist David Sheldrick, Daphne has dedicated her life to conservation. David was founder Warden of Kenya's giant Tsavo East National Park, in which he served from 1948 until his death in 1976. Daphne has continued her involvement and has had real impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding

population conflict. You'll enjoy a visit with the elephants as they're brought by their keepers to the waterhole and salt lick to be fed and socialize – see how they roll in the mud and play fight, and their affectionate interaction with their keepers. Daphne, or a member of her staff, will be on hand to discuss their habits, as well as impart interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Lunch at Blixen's Cottages, and continue to the AFEW Nature Center near Giraffe Manor where you may hand-feed the Rothschild giraffe that live here. The giraffe were brought here by Jock and Betty Leslie-Melville, who founded AFEW (African Fund for Endangered Wildlife) and built the Nature Center to help educate young African children about wildlife conservation. The Rothschild giraffe are the tallest species and may reach eighteen feet in height, but you can see eye to eye with them on the elevated walkway at the center.

Located about 20 minutes from downtown Nairobi, the Safari Park Hotel is a 62-acre complex of convention center, resort and hotel. The architecture is large, dramatic and very impressive. The hotel features 204 spacious rooms, each with individual balconies overlooking the gardens, hand-carved four poster beds, refrigerated mini-bar, and many other amenities. The grounds showcase landscaped gardens, rich with exotic African trees, plants, birds and a 2,400-square yard tropical swimming pool, one of the largest in Africa. In addition, the hotel has a second swimming pool, a world-class fitness center, five restaurants, and a shopping arcade. Overnight at the NAIROBI SAFARI PARK HOTEL. (Meals Aloft, L)

DAYS 4/5~WEDNESDAY/THURSDAY~JUNE 6/7

SAMBURU RESERVE

Begin your exploration of this magnificent country as you drive on its rugged roads, through rich farm land, en route to Samburu Reserve, which lies 200 miles north of Nairobi on the hot and arid fringes of the vast northern region of Kenya. (An optional flight between Nairobi and Samburu is available at a cost of \$300 per person.) Lunch will be at the Trout Tree Inn at Nanyuki en route. The reserve is within the lands of the colorful Samburu people, close relatives of the Maasai, and home to a number of wildlife species rarely found elsewhere in Kenya: Grevy's zebra, reticulated giraffe, and Beisa oryx, all found only north of the equator. The graceful gerenuk, an antelope with its characteristic long neck, spends much of its time in a bipedal stance seeking relaxation in the sparse scrub that grows in this harsh terrain. This dramatic landscape is blanketed by the hot equatorial sun for most of the year. Relief comes from the cool waters of the Uaso Nyiro ("Brown") River, which rises to the west on the foothills of the Aberdares and which vanishes beyond Samburu in the soggy expanse known as the Lorian swamp. The scenery in Samburu is magnificent and the birdlife awesome.

Your accommodations are in a luxury tented camp built on the banks of the Uaso Nyiro River. If you're an elephant lover, you'll truly understand the name of camp when you see the abundance of these magnificent animals in this location. Enjoy the comfort of your ensuite tent, the friendly service and delicious food, prepared fresh for you daily.

DAYS 6/7~FRIDAY/SATURDAY~JUNE 8/9

LAKE NAKURU NATIONAL PARK

Your first stop today is Nanyuki spinners, a successful project to provide livelihoods for single mothers. The rugs and other woven products made from local wool are superb. Following lunch at Thompson's Falls a leisurely drive takes you into the Great Rift Valley.

This huge geological fault-line stretches round one-sixth of the Earth's circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and along its length, there are many volcanoes, most now dormant. With bubbling springs and geysers, the landscape is spectacular.

On your second day you will spend the full day in Lake Nakuru National Park, a shallow alkaline lake that is world-renowned for its huge concentration of flamingos; at times, hundreds of thousands of these birds give the lake a pink shimmering glow. The park boasts a huge variety of animals, including leopard which is often found snoozing on the branches of the magnificent yellow-barked acacias, lion, buffalo, hippo, waterbuck, warthog, baboon, the endangered Rothschild's giraffe only found in this park in Kenya, white rhino and the rare black rhino which is protected and guarded here. For the bird-watching enthusiast there are 450 species found in the park vicinity, with a vast concentration of water birds

including Marabou Stork, pelican, and of course the world-famous flocks of flamingo. Your wildlife drives will allow ample wildlife viewing and you'll also get a chance for a bird and wildlife walk at nearby Soysambu and Lake Elmenteita.

Mbweha Camp is located in the privately-owned Congreve Conservancy, hidden in a grove of euphorbia cactus with lovely views of the Eburu and Mau ranges, only fifteen minutes away from the gate to Lake Nakuru National Park. The Conservancy is home to over 300 species of birds, and to the majority of plains animals such as eland, zebra, Grant's gazelle, waterbuck and impala, as well as to hardy predators such as hyena and leopard. Mbweha is the Kiswahili word for jackal, and it is here that one can see all three species of jackal found in East Africa: side-striped, silver-backed, and golden. Also present are dik dik, warthog, buffalo, giraffe, aardvark and baboon.

The thatched cottages with walls of natural lava rock have a roomy, circular sleeping area with en-suite shower and a private verandah. All cottages are completely separate, and are simply designed featuring natural materials and tastefully furnished. The camp's sunken bar and spacious lounge has an open fireplace, a pool table, darts board, and looks out at eye level onto a small waterhole. The bush restaurant serves a choice of freshly prepared meals in a separate thatched dining room. Activities on offer include nature walks, bike rides, hiking, day and night wildlife drives, bush dinners, and sundowners.

DAYS 8/9/10~SUNDAY/MONDAY/TUESDAY~JUNE 10/11/12
MAASAI MARA/NORTHERN SERENGETI

Your comfortable minibus now takes you to the Maasai Mara, Kenya's most famous wildlife reserve, much the setting for the film *Out of Africa*. It is classic savannah - grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai tend their cattle, all sharing the same land with minimal conflict. You will have three days of wildlife-viewing opportunities in the Maasai Mara Reserve, also known as the "Jewel of Africa," a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lion, cheetah, elephant, leopard, black rhino and hippo. There are also over 500 resident species of birds in the park including ostrich, larks and sunbirds as well as the lovely Lilac-

breasted Roller.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard and sick will fall prey to the ravaging pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. While the migration depends on many factors such as the rains, you'll be here during the best time for this spectacle, one of the greatest on earth!

Optional activities abound while you're in the Maasai Mara. You can try a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active. Or, take a short flight to Lake Victoria, where either at Mfangano or Rusinga Islands you can see the life of the natives who rely on fishing and what the lake has to offer - in fact, you can try your hand at fishing as many a times visitors can catch up to 100-pound Nile perch. If fishing is not your thing, there's a paleoanthropological site to be visited, and the area is lovely. Duties permitting, a Maasai warden will discuss current conservation issues faced in the Mara. If you wish, for a nominal fee, you can also visit a Maasai Village to experience this nomadic tribe's way of life and see their colorful culture.

Here, too, you'll have a chance to make a difference. Your camp is an ecotourism project with the local Maasai community. In addition to visiting the village you'll also do a project to enhance their lives - from a bee keeping project which can be self sustaining to the village as it brings money to the community as well as provide nutrients, to tree planting around your camp. Your luxury tented camp is located on the banks of the Talek River in one of the most active wildlife areas of the reserve. In the true sense of ecotourism, a portion of your fee is given to the local community to support various projects and the Maasai have a very visible presence in the camp - from your askari outside your tents who tend to your safety, to the staff employed from the nearby villages.

Technically outside the reserve (crossing a bridge brings you into the reserve) you can enjoy activities that are not allowed in the reserve such as wildlife walks. You're sure to enjoy your fabulous tent. Roomy, with two queen-size beds, each tent has ensuite facilities and tasteful furnishings with a private verandah facing the bend of the river. Every attention to detail has been made to provide a comfortable and unforgettable stay while in the Mara.

Approximate driving time from Lake Nakuru to Maasai Mara: 7 hours

DAY 11~WEDNESDAY~JUNE 13

MAASAI MARA/NAIROBI/EN ROUTE

A last chance to photograph that awesome sunrise before flying back to Nairobi. A day room will be supplied for you at the STANLEY HOTEL. Tonight a farewell dinner has been prepared for you at the Carnivore Restaurant. Here you will enjoy every type of meat imaginable, including four choices of wild game, is roasted on traditional Maasai swords (skewers) over a huge, visually spectacular charcoal pit that dominates the entrance of the restaurant. As your journey comes to a close, you say a fond farewell to your driver/guides and naturalist and promise to come back in the not too distant future. (B,D)

DAY 12~THURSDAY~JUNE 14

This morning your jet lands in London where you connect with your flights home, bringing with you the memories of all the wonderful sights of East Africa. (Meals Aloft)

It begins in the early morning and you have an hour of uninterrupted views of wildlife from the air – the best way to see the migration and the incessant movement of animals in the Mara. Upon landing, enjoy a champagne brunch, set especially for you in the middle of the plains. Zebra and wildebeest may be your dining guests, and Africa's colorful birds may be vying for a crumb of your bread. At present, the cost is \$450 per adult (including children 12 and over) and \$275 per child aged 8-11 years.

LAKE VICTORIA

Lake Victoria is the source of the Nile River and the second largest freshwater lake in the world. Your early morning flight takes you over the sweeping landscapes of the Mara, to Rusinga or Mfangano Islands, where you'll enjoy breakfast. Native wildlife consists of monitor lizards, over 100 species of exotic birds, and spotted necked otters that may be playing along the water's edge. Picturesque fishing dhows can be viewed on the lake, and you can visit some unspoiled traditional fishing villages. One of the favorite activities is trying your luck at fishing for giant Nile Perch, sometimes weighing up to 100 pounds. After lunch, fly back to your accommodation in the Mara in time for your afternoon wildlife run. At present, the cost is \$496 per adult and \$305 per child.

THINGS YOU NEED TO KNOW ABOUT KENYA

Participants:

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, minibuses, and small aircrafts unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. This walking will be on uneven ground or uphill, often at altitudes many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. **The start and end city for this program is Nairobi, Kenya.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

BRING-A-BOOK FOUNDATION

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included environmental education efforts in India and Bhutan, wild dog and cheetah conservation in Botswana, Kenya and Namibia, and global Earth Day education via school internet programs. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.
