DAYS 3/4~TUESDAY/WEDNESDAY~JUNE 19/20

TARANGIRE NATIONAL PARK

The feeling that this is a special, almost magical place strikes you as soon as you enter Tarangire and you witness your first baobab tree. Here the gently rolling countryside is dotted with these majestic trees, which seem to dwarf the animals that feed beneath them. Called the "tree of life," many myths and legends surround *Adansonia digitata* (*Adansonia* for the French surgeon Michel Adanson and *digitata* meaning hand-like, a reference to the shape of the leaves). Your guides regale you with one or two of these tales as you pass through the park. This stretch of Africa is spectacular in the dry season when many of the migratory wildlife species come back to the permanent waters of Tarangire River. Huge herds of wildebeest, zebra, eland and oryx gather to stay in Tarangire until the onset of the rains

when they migrate again to good grazing areas. For those who love birds, Tarangire has over 300 bird species. But in addition to all those magnificent trees, birds and beasts, Tarangire is superlative for another reason – elephants. Tarangire is home to the largest population of elephants in northern Tanzania, now numbering close to 2,500 individuals.

Built on platforms among a cluster of baobab, mopani and wild fig trees, Tarangire Treetops' stunningly original giant en-suite tree houses are all equipped with private verandahs that have sweeping views over the surrounding bush. Sundowners can be enjoyed at the Baobab Bar which is built around a gracious old baobab tree.

This relaxing, elevated 'watering hole' is the perfect

spot to contemplate the mesmerizing Tarangire sunsets. Located outside the National Park you are also able to go on night game drives, walking safaris and they have two bicycles should you wish to take a ride around the camp. Overnights at the TARANGIRE TREETOPS. (All Meals Daily) www.elewana.com/ttt/tarangire-tree-tops.html

DAYS 5/6~THURSDAY/FRIDAY~JUNE 21/22

NGORONGORO CRATER CONSERVATION AREA

Today you drive to the Ngorongoro Crater, a World Heritage site, which is an extinct volcano and the largest unbroken caldera in the world. The cone is believed to have collapsed nearly two million years ago, and while the cone was standing, it could have been as tall, if not taller, than Mount Kilimanjaro. The crater (1,800 feet deep and 102 square miles) is a microcosm of East African scenery with abundant wildlife - more than 25,000 larger animals, mostly zebra and wildebeest. This is also the best place to see black rhino in Tanzania as it is protected around the clock, and the magnificent black-maned lions. Over the years, the floor of this crater has become mostly savannah (grassland) and there's also a soda lake whose size changes depending on the rains that is the lifeline of this amazing land. On this lake, marvel at the colorful flamingoes and a variety of other water birds - more than 100 species of birds found here and not in the Serengeti. Resident ostriches, crowned cranes, and kori bustards are joined seasonally by migrant flocks of white and Abdim's storks. Patience may also reward you with glimpses of leopard, cheetah, hyena, jackal, elephant, warthog, buffalo,

impala, buffalo, hartebeest, eland and lots of other antelopes.

Next day board your 4x4 vehicle for an amazing journey as you descend onto the floor of the crater. As you descend, you might be able to see the local Maasai as they take their cattle down the steep walls of the crater. It is their right, negotiated with the government and parks authority, to graze their cattle in about 75% of the crater floor. The mix of cattle with the wild animals

makes for some terrific photographs, and the interaction between domestic and wild animals is almost non-existent. Your game-viewing will be dramatic, and the experience memorable.

You will enjoy a sumptuous "picnic" lunch before resuming your wildlife viewing. Return to the rim of the crater and your lodge in the afternoon. En route to your accommodation at the Crater, visit a Maasai village and learn about this fascinating culture that has existed through the millennia in harmony with nature

The Manor at Ngorongoro is reminiscent of an elegant, up country farm home in the Cape Dutch style of architecture. The Manor at Ngorongoro, with its 20 luxurious guest cottage suites, is a luxury safari experience fusing East African safari hospitality with old world Afro-European architecture, and décor. Each cottage has a private courtyard and deck, fantastic views of the landscape, surrounded by fragrant flowering gardens and age-old trees, en suite bathrooms, outdoor and indoor fireplaces

DAYS 7/8~SATURDAY/SUNDAY~JUNE 23/24 OLDUVAI GORGE/SERENGETI NATIONAL PARK

Your bumpy and scenic road takes you to Olduvai Gorge, where in 1959 Louis and Mary Leakey uncovered *Zinjanthropus* and *Homo Habilis*. Olduvai is one of the world's most important paleoanthropological locations. Thousands of stone tools, some of which have been used by *Homo Habilis*, have been found at Olduvai; the oldest style is easiest to remember, because it is called Oldowon. In addition to the remarkable human fossils – prehistoric elephant, giant horned sheep and enormous ostrich fossils have been found here while extinct species unearthed include three-toed horses and giant antelope. Since the Leakey's first began searching the area for clues to our distant past, more than sixty hominid remains have been excavated, belonging to four different hominids, showing the gradual increase in brain size and in the complexity of their stone tools. The gorge itself is a very steep-sided ravine roughly 30 miles long and 295 feet deep. It resembles a small Grand Canyon with exposed strata of different layers where the deposits of rich fossil fauna, hominid remains and stone tools were found. The gray lines are volcanic tuffs; eruptions are used to estimate the age of the fossils.

Continue with your drive to the Serengeti National Park (3,646,500 acres), the jewel in the crown of Tanzania's protected areas with over 3 million large mammals roaming its plains. It lies between Ngorongoro and Lake Victoria and adjoins

Kenya's Maasai Mara. The Serengeti has come to symbolize paradise to all, including the local Maasai, who have grazed their cattle on the vast grassy plains for generations. To the Maasai, it is Siringitu – "the place where the land moves on forever." Today, the Serengeti National Park, the Ngorongoro Conservation Area, and the Maasai Mara Reserve across the border in Kenya, protect the greatest and most varied collection of terrestrial wildlife on earth, and one of the last great migratory systems still intact. More than a million

wildebeest, accompanied by hundreds of thousands of zebras and other herbivores, descend upon the short-grass plains of the southeastern Serengeti at the start of the rainy season around December. After calving in January and February, they scatter over the southern and central plains. By May the rain ends, the grass has been reduced to stubble, and the animals begin their long march to dry-season grazing grounds near the permanent waters of the Serengeti's northern woodlands and Kenya's Maasai Mara. Reaching these destinations by July or so, they remain until October, when they head back to the southeastern Serengeti. This struggle for survival continues unaided and unaltered through the millennia!

The Serengeti is incredible to visit any time of the year. In the Seronera Valley towering yellow fever trees and palm thickets line the Seronera River and its hippo pools. This is a superb area for seeing predators such as lion, leopard and cheetah, and their prey – giraffe, topi, Bohor reedbuck, Defassa waterbuck, buffalo and impala. The kopjes (prehistoric rock outcroppings) host hyraxes, dwarf mongooses, and red-headed agamas, while patience might reward you with a sleepy black-maned male lion or leopard. The open grassland is home to large groups of Thomson's and Grant's gazelles, spotted hyena, jackal, and such birds as the Double-banded Courser, Yellow-throated Sandgrouse, Red-capped Lark, Fischer's Sparrow-lark, and Capped Wheatear. Your twice-daily wildlife drives will allow ample viewing. As an optional excursion, you can take a balloon safari for an exhilarating experience over the Savannah as the early sun rises and the animals are more active.

Situated in the Northern Serengeti, this luxurious tented camp overlooks the Grumeti River, offering prime viewing of the legendary wildebeest migratory route. All en-suite units are positioned on raised platforms providing panoramic views from private

patios. The central dining area, bar and library are atop a series of cantilevered decks, maximizing the views of the game plains below. The fresh water pool and surrounding sundeck is the perfect place for a sundowner and a splash after a hard day's safari.

Overnights at MIGRATION CAMP. (All Meals Daily)
www.elewana.com/smc.html

DAYS 9/10~MONDAY/TUESDAY~JUNE 25/26
SERENGETI NATIONAL PARK~WESTERN CORRIDOR

For the next two days you will be in the famed Grumeti River area in the Western Corridor where the migration should be unfolding at this time of year. Many of the amazing shots people have seen on nature documentaries are taken in this area at this time of year as the struggle for the migration is at its peak. It's not unusual to see long file of wildebeest and the ever-present zebras trying to cross the river, while huge crocodiles lie waiting for them. Grumeti is famous for its huge crocodiles and hippo populations. This is a truly beautiful area to spend two nights and you're sure to find some kopjes (rocky outcroppings) to enjoy your sundowners while watching the panorama that unfolds before your eyes.

The Soroi Serengeti Lodge is located in the Western Corridor of the Serengeti National Park on a hill and built amongst rocks with endless views and breathtaking sunsets over the vast plains of Musabi. The lodge has 25 thatched chalets complete with hardwood floors, tucked away amongst the thorn Acacia trees, and linked to the main lodge by timber walkways. All chalets are beautifully decorated in a contemporary African design, and each has an en suite bathroom fitted with Turkish baths and outdoor showers with views of the Serengeti plains 300 feet below. View the great wildebeest migration from the spacious main viewing decks or from the comfort of your private balcony. Overnights at SOROI SERENGETI LODGE. (All Meals Daily) www.mbalimbali.com

OPTIONAL POST EXTENSION TO RWANDA

A minimum of 5 travelers is required for this extension.

DAY 11~WEDNESDAY~JUNE 27

SERENGETI/KIGALI

Bid farewell to the rest of the group returning to Arusha and departing for the USA today, and prepare for your next adventure as you fly to Kigali, capital of Rwanda. A tiny, landlocked republic in Equatorial Africa, Rwanda lies on the eastern rim of the Albertine Rift and the watershed between Africa's two largest river systems: the Nile and the Congo. Often called the "land of a thousand hills", Rwanda is a mountainous country with a moist, temperate tropical year-round climate.

In addition to the magnificent mountain gorillas and several other primates for which it is renowned, Rwanda is also home to a tremendous variety of bird life, making this tiny country a birder's paradise! Of the 650 bird species found here, some are West African forest species whose eastern range extends to Rwanda. Found throughout Rwanda are the Cassin's Hawk Eagle, Black-winged Pratincole, Olive Woodpecker, Snowy-headed Robin-Chat, Black-faced Rufous Warbler, Wing-snapping Cisticola, Rwenzori Flycatcher, Green-throated Sunbird, and the Many-colored Bush-shrike, and numerous others. In addition, the range of elevations and diverse vegetation types of both of the spectacular parks on this itinerary ensures that each also has its own unique bird fauna.

Your home this evening is located in the center of Kigali's heart. Each of the 104 air conditioned guest rooms include en-suite facilities, in-room mini bar and coffee making supplies, satellite television, telephone and contemporary décor. You may want to take a dip in the pool or work out in the hotel's gym.

Overnight at the KIGALI SERENA. (B,D) www.serenahotels.com

DAYS 12/13~THURSDAY/FRIDAY~JUNE 28/29

KIGALI/KINIGI

After breakfast, visit the Genocide Memorial Centre to learn about this country's recent bloody history and the lessons learned so this tragedy never happens again. As an outsider, it is almost impossible to understand the true scope of what really happened here in 1994, but your visit to the center will help bring some of the tragedy to light. You will be able to learn of individual stories of losing family and friends while at the same time focus on the efforts to heal and carry on as one people.

Later, proceed on your drive to Kinigi and the Parc National des Volcans, a part of the Virunga Conservation Area covering more than 48 square miles, and is home of five Virunga volcanoes: Sabyinyo, Gahinga, Visoke, Muhabura and the Karisimbi, the highest volcano - all of which are extinct. The Virunga ecosystem is composed of four major vegetation zones: bamboo (base altitude), hagenia and hypericum forest (8,500-10,800 feet), sub-alpine (10,800-13,000 feet) and afro-alpine (above 13,000 feet).

Certainly the main highlight of this park is the mountain gorillas, which spend most of their time in the hagenia

woodlands and bamboo forests. During the rainy season when new bamboo shoots are growing, the gorillas spend more time foraging in the bamboo forests at base altitude. This park was the base for Dian Fossey up until her death in 1985 and she focused her work at the Karisoke Research Center for 18 years. There are four habituated gorilla families that can be visited here, most of them on the slopes of the Visoke volcano. The Susa group has 35 individuals, the Amahoro group has 11 individuals, the Sabyinyo group has been divided into two groups ("A" has 13 individuals and "B," a break way group, has four individuals) and group 13 has seven individuals.

Your group will have the opportunity for one trek per person to view the mountain gorillas during your stay.

A second trek is possible at additional cost, based on availability of permits. After breakfast, you will proceed to the nearby park headquarters and meet with your excellent local guides and porters, who will carry your personal items and assist you during the trek. Gorillas here live on the slopes of ancient volcanoes in high elevation forests. Dense bamboo thickets give way to a combination of large meadows and dense herbaceous vegetation zone highlighted by moss-laden hagenia and hypericum trees. Your treks will take you through a fairyland forest, an experience that in of itself is thrilling.

As you venture forth, you will spot evidence that the gorillas have been present. The treks can last from four to seven hours (or more) depending on when you spot the gorillas. There is an hour limit to the time you spend with these majestic creatures once you spot them. Tracking gorillas through misty, seemingly impenetrable forests can be an exhausting process as the paths are often slippery, entangled and wet. However, this effort is quickly forgotten the minute you encounter these beautiful creatures. They instantly capture your full attention with their acrobatic antics and cacophony of grunts, screeches and chest beating.

Your accommodation for the next two nights is the Gorilla Mountain View Lodge. Your lovely cottage is comfortable and has en suite bathrooms, hot and cold water and you are attended to by friendly and helpful staff. With a central bar, lounge and dining room area, all rooms have magnificent views of the Virunga Mountains and the Ruhengeri Valley. Overnights at GORILLA MOUNTAINVIEW LODGE. (B,L,D Daily)

DAY 14~SATURDAY~JUNE 30

KIGALI

Those who wish to trek twice will get a chance this morning. After breakfast take a short drive back to the Park Headquarters and meet with the local guides and trackers who will give another talk on the etiquette of gorilla trekking. Then hike into the park for a second gorilla trek, visiting a different family this time. This afternoon, drive to Kigali and your accommodation for the evening. Enjoy a farewell dinner at your hotel tonight. Overnight at the KIGALI SERENA HOTEL. (B,L,D)

DAY 15~SUNDAY~JULY 1

KIGALI/AMSTERDAM/EN ROUTE

Your morning is at leisure. Later in the afternoon return to the airport for your flight to Amsterdam. (B)

DAY 16~MONDAY~JULY 2

AMSTERDAM/ATLANTA

This morning you land in Amsterdam where you will connect with your flights home, bringing with you the special memories of East Africa. (Meals Aloft)

THINGS YOU NEED TO KNOW ABOUT EAST AFRICA

Participants

- Participants must be able to climb in and out of safari 4x4 vehicles or minibuses and small aircrafts unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and / or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

Rwanda

- Visitors must be in excellent physical condition, without any heart problems and be prepared to spend strenuous days in humid rain forests, steep terrain and high altitude trekking for chimpanzee and gorillas, as well as other primates. Your walks can be arduous, tough and wet. Waterproof hiking boots, trousers and long sleeved closed shirts, garden gloves, waterproof clothing and poncho are essential.
- You may walk for many hours before you even come across the gorillas (or if lucky, find them in a hour!). Your time with the gorillas is limited to one hour before you must trek back to the camp. You should always consult your personal physician before embarking on such an adventure.

In general, this trip requires:

- Flexibility and good humor - unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with uneven infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the "land only" rate for this program. **The start and end city for the land only program is Arusha, Tanzania. The extension returns from Kigali.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

BRING-A-BOOK FOUNDATION

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and to other countries our travelers visit around the world. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included environmental education efforts in India and Bhutan, wild dog and cheetah conservation in Botswana, Kenya and Namibia, and global Earth Day education via school internet programs. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness and understanding that are vital to preserving this planet for future generations.

At time of publication, **KLM Royal Dutch Airlines** is a partner with Aeroflot, AeroMexico, Air France, Air Tahiti Nui, American Eagle, Alitalia, Big Sky Airlines, Cebu Pacific, China Airlines, Continental Airlines, CSA Czech Airlines, Delta Air Lines, Kingfisher Airlines, KLM, Korean Air, Kenya Airways, Air Europa, Alaskan Airlines, China Southern, Garuda Indonesia, Gulfstream International airlines, Hawaiian Airlines, JAL Japan Airlines, Jet Airways, Malaysia Airlines, Malev Airlines and Midwest Airlines. You may obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

BAGGAGE: International flights from the U.S. allow one piece of checked luggage, not exceeding 50 lbs. However we recommend you travel as light as you can manage. **The baggage limit on domestic flights is one piece at 33 lbs. per person (plus a carry-on bag.)** Also, the size and the structure of the bag is limited. Soft duffel bags are ideal. Large suitcases are virtually impossible to stow on smaller aircraft and vehicles and therefore should not be used. **WE HIGHLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL INSURANCE POLICY.**

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private facilities, and all rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions can change for similar lodging.

SINGLE SUPPLEMENT: Rate quoted is valid for first two single rooms booked. If more than two single rooms, additional supplement will apply. Singles are assigned on a first come/first serve basis. Single accommodations are not guaranteed, but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. On occasion, in smaller lodges and camps, you may be required to share with other members of your tour group if single rooms are not available upon check-in. If this is the situation, appropriate per diem refunds are made to passengers in the event they paid for a single room but had to share during any portion of their trip. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

MEALS: No meals are provided in Europe. Enjoy all meals on safari while in Tanzania on the main program and extension. American breakfast only is provided in Arusha and Kigali.

WILDLIFE VIEWING: Your tour will be conducted in minibuses throughout. All are guaranteed a window seat.

TRANSFERS: Roundtrip transfer of travelers between airports and hotels are included in the tour when arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

TIPS AND TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, lodges and tented camps, and entrance fees to all reserves as outlined in the itinerary are included. U.S. and foreign airport taxes are not included and will be billed prior to your departure. Tips to driver/guides are **not** included and are at the discretion of the tour members. A suggested tipping chart will be forwarded with the final documents.

INOCULATIONS: We would suggest you contact your personal physician or local health department for their recommendations as to inoculations. A Yellow Fever shot is now mandatory for visitors entering Tanzania, if coming from a Yellow Fever endemic zone. **It is also a sensible precaution for visitors to take one of the preventive pills that are in common use against malaria.** Water is NOT safe to drink throughout and it is always advisable to drink bottled water which will be provided for you free of charge in the vehicles

RATES: All rates quoted are based on tariffs and value of foreign currencies in relation to the U.S. dollar in effect as of July 7, 2011, and are subject to change. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

LATE BOOKING FEE: Classic Escapes reserves the right to impose a late booking fee to offset additional administrative costs for any reservations received 60 days (or closer) to the program's departure date. This fee is \$250 per person, over and above any costs incurred by airlines and suppliers

NOT INCLUDED: Cost of passport and visa fees, and service charges for obtaining visa fees; excess baggage charges levied by airlines; meals other than specified; beverages and meals not specified in itinerary; gratuities to driver/guides and other conveyance attendants; laundry and other items of a personal nature; gratuities not imposed by hotels and/or restaurants for included services; optional personal, baggage and tour cancellation insurance policy; U.S. and foreign airport taxes; cost for anything not specifically included in listing above.

WILD ANIMALS: Please be aware that this safari may take you into close contact with wild animals. Attacks by wild animals are rare, but no safari into the African wilderness can guarantee that this will not occur. Neither the company, nor their employees, nor agents can be held responsible for any injury or incident on the safari. Please note that not all camps are fenced.

PASSPORT & VISAS: The onus is upon the guest to ensure that passports and visas are valid for the countries visited. RESPONSIBILITY: Neither Classic Escapes (the Company) nor any person or agent acting for, through or on behalf of the Company shall be liable for any loss or damage whatsoever arising from any cause whatsoever, and without restricting the generality of the foregoing, shall particularly not be responsible for loss or damage arising from any errors or omissions contained in its brochure or other literature, loss or damage caused by delays, sickness, theft, injury or death. In addition the Company shall have the right at any time at its discretion to cancel any tour or the remainder thereof or make any alteration in route, accommodation, price or other details and, in the event of any tour being rendered impossible, illegal or inadvisable by weather, strike, war, government or interference or any other cause whatsoever, the extra expenses incurred as a result thereof shall be the responsibility of the passenger. The Company may at its discretion and without liability or cost to itself at any time cancel or terminate the guest's booking and in particular, without limiting the generality of the foregoing, it shall be

entitled to do so in the event of the illness or the illegal or incompatible behavior of the guest, who shall in such circumstances not be entitled to any refund. The person making any booking will, by the making of such booking, warrant that he or she has authority to enter into a contract on behalf of the other person included in such a booking and in the event of the failure of any or all of the other persons so included to make payment, the person making the booking shall by his/her signature thereof assume personal liability for the total price of all bookings made by him/her.

PHOTOGRAPHY: The Company reserves the right without further notice to make use of any photograph or film taken on the safari by our photographers without payment or permission. We guarantee that no photographs of a compromising nature will be used.

CHANGES TO SCHEDULES: Although every effort is made to adhere to schedules it should be borne in mind that the Company reserves the right and in fact is obliged to occasionally change routes and camps on safaris as dictated by changing conditions. Such conditions may be brought about by seasonal rainfall on bush tracks, airfields and in wildlife areas, by wildlife migrations from one region to another, or airline or other booking problems, etc.

REFUNDS: While the company uses its best endeavors to ensure that all anticipated accommodation is available as planned, there shall be no claim of any nature whatsoever against the Company for a refund either in the whole or part, if any accommodation or excursion is unavailable and a reasonable alternative is not found. If the guest is unable to use any service provided in the itinerary, then there are no refunds due.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission or event during the time the passengers are not on board their planes or conveyance.
