YOUR ITINERARY

DAY 1~SUNDAY~ JUNE 22

USA/EN ROUTE

Your adventure begins as you board your overnight flight to Cape Town. (Meals Aloft)

DAY 2~MONDAY~ JUNE 23

CAPE TOWN

Arrive in Cape Town, South Africa's "Mother City". Upon arrival, you will be met by your Classic Escapes representative and escorted to your hotel. The provincial capital, Cape Town, is a sophisticated city with plenty to see and do, particularly around the Victoria and Alfred Waterfront area, where delightful buildings of Cape Dutch and Victorian-era architecture have been restored as shops, restaurants, museums, and pubs, while the busy water traffic of the docks goes on unabated.

The perfect blend of heritage and modern luxury epitomizes the Taj Cape Town. Located in the city center, the hotel is steps from the popular area of St George's Mall, which is a vibrant pedestrian precinct with wonderful pavement cafés and bars. You'll be amidst many significant historic buildings, which include the St. George's Cathedral, the House of Parliament, the Castle of Good Hope, the Company's Gardens, and many of Cape Town's national museums. All rooms are beautifully decorated and complete with every exclusive amenity. The Taj Cape Town has two spectacular restaurants - Mint and The Bombay Brasserie - and unforgettable seafood, champagne, and an oyster bar known as The Twankey. The Jiva Grande Spa combines the wisdom and heritage of the respected Asian and Indian philosophies, surrounding wellness and wellbeing, to create an unrivaled treatment experience. The hotel prides itself on providing unobtrusive and efficient service from a staff that genuinely delights in making guests feel at home.

DAY 3~TUESDAY~ JUNE 24 CAPE TOWN: CAPE PENINSULA

Your luxury motor coach takes you on a breathtaking coastal drive to the Cape of Good Hope, surrounded by spectacular mountains, rugged shorelines, and the blue sea below. See Devil's Peak, Lion's Head, Table Mountain, and the Twelve Apostles. Pass quaint seaside towns as you continue to Cape Point, where the stormy waters of the Atlantic meet up with the calm waters of the Indian Ocean. At Cape Point, climb the steps or ride a funicular to the top where you can explore a lighthouse, enjoy the views, or even indulge in a bit of shopping. Take a close look at the ocean, where you may see southern right whales in the spring and early summer as well as dolphins and a variety of seabirds.

You will also have the chance to explore the Cape Point Nature Reserve, which is host to approximately half of the 2,700 species of indigenous plants in the Cape Peninsula. Look for the distinctive orange found in leucospermums, one of the rarest types of proteas – the mimites, marvel at the helichrysum and pelargonium calcullums, and enjoy the ericas, phenacomias, and fine bush which the Dutch called “fynbos.” There are 250 species of birds in the reserve, ranging from ostriches to minuscule sunbirds. Caracal, chacma baboon, a wide variety of buck, and various other mammal species may be seen, including Cape Mountain zebra and the bontebok which is endemic to this part of the world. The baboons feed occasionally on marine foods which they garner at low tide. At Olifants Bay, look for Oystercatchers, and enjoy some superb birding.

Enjoy lunch at the Seaforth restaurant and continue to Boulders Beach where the African (Jackass) Penguins can be seen – also known as the Black-footed Penguins. These flightless seabirds are found only on the coast of Southern Africa and are the only penguins found on this continent. Enjoy a delightful walk on a specially built platform onto the little sheltered beach where they nest among the rocks, and “waddle” up and down into and out of the sea. Since these penguins are accustomed to the presence of humans you can safely get within a few feet of them as you stand on the platform, and it is sometimes possible to view them nesting behind rocks and bushes.

Return to Cape Town for dinner at the Gold Restaurant, a unique African dining experience in the heart of Cape Town. The Gold Restaurant offers an immersive dining experience that celebrates Africa's rich culinary and cultural heritage. Located in the city's heart, this vibrant venue combines a 14-course feast with interactive drumming sessions and lively performances of traditional African dance and music. The menu is a culinary journey across the continent, featuring dishes from Morocco to South Africa, each bursting with authentic flavors and spices. With its warm, earthy decor and energetic atmosphere, Gold Restaurant provides a unique experience where food, music, and culture come together to celebrate Africa's diverse traditions. Overnight at THE TAJ CAPE TOWN HOTEL. (B,L,D)

DAY 4~WEDNESDAY~ JUNE 25

CAPE TOWN: TABLE MOUNTAIN/KIRSTENBOSCH BOTANICAL GARDENS/TWO OCEANS AQUARIUM

Today get a feel of what Cape Town is all about by taking the cable car to the top of Table Mountain, the signature of this city, easily one of the most recognizable mountains in the world. This tour is very dependent on the wind factor, as well as the clouds. Often, a cloud covers this flat-topped mountain, which rises to 3,563 feet above sea level and the locals affectionately say it's a white tablecloth. Legend has it that a retired pirate, on climbing the mountain, met up with the devil. In order to preserve his soul, the pirate challenged the devil in a smoking contest. So, they stoked up their pipes and have been smoking ever since.

Table Mountain has been a guiding beacon to mariners rounding the Cape of Southern Africa for centuries. Sir Francis Drake described it as "the most-stately thing and the fairest cape we saw in the whole circumference of the earth." Despite its formidable appearance, it is possible to hike up Table Mountain. The first recorded ascent was in 1503 by the Portuguese navigator Antonio da Saldanha who, confused by the Cape Peninsula geography, climbed to the summit via the frontal cleft, now known as Platteklip Gorge. For nature lovers, the birding is awesome, and the wildflowers include agapanthus, watsonias, and red nerines which poke out from rock crevices amid a scrub of ericas and gnarled proteas. More than 1400 species of flowering plants have been recorded on the mountain. Cute guinea pig-like creatures known as rock dassies, or hyraxes, (genetically, the closest living relatives to elephants) scuttle everywhere. They are not afraid and scamper among the tourists seeking to be fed.

Lunch will be at Kirstenbosch Botanical Gardens, arguably one of the most beautiful gardens in the world, followed by a guided tour. Founded in 1913, Kirstenbosch lies on the eastern slopes of Table Mountain and consists of landscaped gardens of indigenous plants and trees, watered by the Liesbeek River, as well as the natural forest that extends up to the lower slopes. Kirstenbosch covers an area of 1,383 acres, 148 of which are cultivated; the remainder is a natural flora reserve. It is a living display featuring 9,000 of the estimated 20,000 species of indigenous South African flora, and close to 50% of the peninsula's floral wealth. In the cultivated area, related plants are grouped together and radiate from the central lawns like the spokes of a wheel. Among the interesting sections here are the Cycad Amphitheatre, which hosts most species of these "living fossils" found in southern Africa, the famed Protea Garden on the higher slopes, with its profuse growth of silver trees (*Leucadendron argenteum*); the JV Mathews Rock Garden (named after the first curator) containing succulents of the genera *Crassula*, *Aloe*, *Lampranthus*, and *Euphorbia*; the Erica Garden and the Pelargonium Koppie.

Two streams cut through Kirstenbosch, both laced with besembos, red alder, and hard fern. Of historical interest is an avenue of camphor trees and fig trees planted by Cecil Rhodes in 1898, and a small section of wild almond (*Brabejum stellatifolium*) hedge planted by Dutch settler Jan van Riebeeck in 1660. Birds of all sorts can be seen here as well – Dusky and Paradise Flycatchers, sunbirds, Klaas's cuckoos, bulbuls, pigeons, brilliant green and red Cape Sugarbirds (which pollinate the flowers), guinea fowls, and the Cape Batis.

Cocktails this evening will be held at the Predator exhibit at the Two Oceans Aquarium, one of the finest aquariums in the world. Located in the heart of Cape Town's Waterfront, the aquarium showcases the unique marine life of the Atlantic and Indian oceans which lie on either side of the Cape of Good Hope. It is considered to be one of the supreme aquariums worldwide as it presents more than 300 different species of fish in more than 30 basins. Amongst the sea life found in this aquarium in central Cape Town are sharks, penguins, turtles, frogs, and a huge variety of fish and sea plants.

Overnight THE TAJ CAPE TOWN HOTEL. (B,L, Cocktail)

DAYS 5/6~THURSDAY/FRIDAY~ JUNE 26/27
CAPE TOWN/ GROOTBOS NATURE RESERVE

Start your day with a drive to Grootbos Nature Reserve, situated just past Hermanus, overlooking Walker Bay and Cape Point. It's also a short distance from the southernmost tip of Africa, Cape Agulhas, and is located on the best whale-watching coast in South Africa. You will experience something completely different here – exciting activities include coastal walks, beach excursions, horse/pony back riding, and 4x4 drives.

Grootbos is a pristine botanical reserve that has some of the most beautiful wildflowers and striking landscapes to be seen. Your guide will explain fynbos in better detail, the seasonal fluctuations, what effect fire has on the plants and animals and why fynbos requires fire for succession.

Grootbos Private Reserve conserves 4,200 acres of pristine fynbos, the Cape's unique vegetation type. Within its borders lies a wealth of more than 650 species of indigenous plants. Huge stands of extravagant proteas paint the hillsides and bulbs burst into flowers after a fire has occurred. Pollination, seed dispersal, and germination – there is always something happening and a story to be told. Grootbos' expert botanical guides will open your eyes to the intricacies of the fynbos ecosystems and leave you with another lasting impression of the wonders of nature.

The coastline offers a marine experience like no other. See 40-ton Southern Right Whales only a few feet from your boat. Travel to the island refuge of huge seabird colonies and admire the underwater antics of a 60,000-strong Cape Fur Seal colony. Be amazed by the awesome spectacle of a great white shark breaking the surface and transfixing you with an unblinking stare. The cliffs of Walker Bay, right at your doorstep, offer the best land-based whale viewing in the world. Watch spellbound as mothers, calves, and energetic bulls come within 100 feet of the rocky shoreline.

This area of the coast is prime whale breeding and calving grounds and every year between July and November (even mid-December) many Southern Right whales come here. It is a sight to behold especially when they are so close to shore that you can smell their fishy breath! In the late afternoon, you will enjoy a spectacular sunset over Walker Bay, casting warm orange hues over the landscape. Sunrise is no less spectacular and makes for magnificent landscape or floral photography. Explore the reserve on foot, horseback, or in an open 4x4 vehicle taking in the different eco-zones and Table Mountain sandstone geological structures. Take a stroll through one of the precious cool afro-montane forests, south-facing and fire-resistant plant communities similar to tall tropical rain forests living in pockets on steep hills.

On your second day here, you will enjoy a whale watching/marine discovery cruise. Gansbaai is the whale-watching Mecca of the world. During the months of July to December people from all over the world journey to the shores of Gansbaai to view southern right whales and other marine life in the Dyer Island area, including African Penguins, sea birds, seals, great white sharks, as well as dolphins. A qualified guide and naturalist will accompany you, therefore ensuring a high quality of service and an extremely informative trip.

ON YOUR SECOND DAY AT GROOTBOS, YOU'LL HAVE A CHANCE FOR AN OPTIONAL EXCURSION AT AN ADDITIONAL COST FOR SHARK DIVING:

Great White Shark-Cage Diving (\$250 per person, additional):

The thrill of a lifetime, feeling the exposure of diving with nature's most feared predator while remaining safe inside the shark cage. The trip focuses on the natural predation and breaching of Great White sharks as well as shark cage diving. The expedition operates in small groups and takes a maximum of 7 guests per trip. As the groups are small, the tour provides an intimate experience as well as an opportunity to pass on knowledge and passion for the sharks and the area. The cage is fixed to the boat and guests are allowed to snorkel in the cage (diving certification is not required for this purpose).

Grootbos Forest Lodge is situated just past Hermanus, overlooking Walker Bay and Cape Point. It's also a short distance from the southernmost tip of Africa, Cape Agulhas, and is located on the best whale-watching coast in South Africa. The lodge offers eleven luxury suites, each adorned with rich textures, spacious sunny bathrooms, and living rooms with cozy fireplaces, mini bar, tea & coffee making facilities as well as wooden decks with spectacular views. Awaken to the calls of forest birds as the cottages are set among ancient milkwood trees deep in the nature reserve. Chefs conjure up gourmet dishes with fish caught that day, fresh vegetables, and succulent meats enhanced with flavors from the flourishing herb garden. Award-winning South African wines complement your dinner, which is served by candlelight at the restaurant with unbeatable sea views.

By staying at Grootbos, you are directly contributing to the conservation of the reserve and surrounding natural areas, including numerous endangered, endemic species. Grootbos is dedicated to the conservation of the Cape Floral Kingdom. The protection of biodiversity has global importance for the preservation of species and the continued functioning of natural ecosystems. The successful eco-tourism model at Grootbos has been widely acclaimed and has encouraged the establishment of a number of conservation projects in the region.

THINGS YOU NEED TO KNOW ABOUT SOUTH AFRICA

Participants:

- Participants must be able to climb in and out of safari 4x4 vehicles or minibusses, small aircraft, and boats/canoes unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods (6-8 hours maximum), as well as some off-road experiences when opportunities are allowed.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with uneven infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

- 75 days or less prior to departure (April 8, 2025), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airline or ground operator, or additional costs incurred due to the availability of any space, these costs will be invoiced to you, and you will be responsible for payment thereof.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles, or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth, and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being canceled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being canceled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from carrying hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years of imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also be listed on your final documents.
