### DAYS 3/4/5~TUESDAY/WEDNESDAY/THURSDAY~NOVEMBER 4/5/6

#### NAIROBI/TSAVO WEST NATIONAL PARK

Your drive takes you to Tsavo West National Park (an optional flight from Nairobi to Tsavo West is available at a cost of \$450 per person). At just over 8,000 square miles, Tsavo is the largest national park in Kenya and one of the largest in the world. Because of its size, the park was split into two, Tsavo West and Tsavo East, for easy administration. Located midway between Nairobi and the coast, the area boasts volcanic hills, four rivers, more than 60 major mammal species, and 1,000 plant species. Tsavo has spectacular scenery with a rolling volcanic landscape carpeted in long grass and dense bush and dominated by the giant baobab, a tree that is reputed to live 1,000 years. Although the tall vegetation makes game spotting trickier than in some of the other parks, the biodiversity is amazing. Thus, driving and exploring the area almost assures you close encounters with lions, leopard, cheetah, zebras,

giraffes, antelopes, kongoni, waterbuck, klipspringer, impala, gazelles, buffalos, and elephants. Apart from Tsavo's elephant population, there are many lions – some undoubtedly the descendants of the infamous and feared "Man-eaters of Tsavo" popularized in the film *The Ghost and the Darkness*.

Tsavo West is famous for the Mzima Springs. This star attraction is a pool of natural spring water with underwater viewing for observing hippos where a gushing supply of fresh, crystal clear water has created an oasis for wildlife. A specially constructed underwater observatory provides visitors with a unique view of the underwater world of Mzima. The water catchment is divided into two pools; the upper pool is occupied by the hippos and the lower pool by the crocodiles.

The International Elephant Foundation partners with the Tsavo Trust (TT), a non-profit organization dedicated to wildlife conservation, particularly focusing on the protection of elephants and other large mammals. TT works closely with the Kenya Wildlife Service (KWS) to combat poaching, promote habitat preservation, and support community engagement. They are known for their "Big Tusker Project," which protects some of the last remaining elephants with tusks weighing over 100 pounds. By combining aerial surveillance, ground patrols, and community partnerships, TT plays a crucial role in safeguarding this iconic species and maintaining the ecological integrity of the Tsavo ecosystem.

While in Tsavo, you will visit the Tsavo Trust Headquarters, meet the team and learn about the critical work the TT does to conserve this beautiful environment for elephants and other wildlife. In between wildlife viewing, you will also make a day trip to the Kamungu Conservancy to visit the various community projects including the revolutionary 10% fence plan, predator proof bomas, climate smart farms, and more. In the evening, you will share meals and interact with TT trust staff who will share their experiences of living and raising their families in the bush amongst elephants and leopards just to name a few.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

*The first lodge ever to be built in a Kenyan National Park, Kilaguni Serena Safari Lodge is superbly situated in the lee of Mount Kilimanjaro, adjacent to a teeming waterhole and daily visited by vast herds of elephant, buffalo, and plains animals. Inspirationally positioned so that not only all the rooms but also the open-air restaurant, timbered viewing decks and rock-built bar enjoy uninterrupted views of the legendary snows of Kilimanjaro. The lodge also stands central to miles of lion-stalked grasslands, elephant-studded plains, and wildlife-teeming bush and is ideally placed for visits to all the park's prime attractions. Faced in volcanic stone and utilizing the natural rocky outcrops of a valley known as 'the place of the young rhino', from which it takes its name, the lodge has been designed to blend chameleon-like into the savannah landscape. Cool, tranquil and hushed for optimum wildlife-viewing, the open-air dining area, timbered decks, and rock-hewn bar blend the traditional "khaki-and-canvas" look with bright-painted banners, sepia-hued paintings, and evocative olive-wood carvings of elephant herds and tail-erect warthogs. The elegantly renovated rooms draw on a sun-gold, sky-blue, and bush-green savannah color palette and have been so styled to provide world-class luxury and a quintessential African aura while featuring private verandahs with views of eternity.*

**DAYS 6/7~ FRIDAY/SATURDAY~NOVEMBER 7/8**  
**TSAVO WEST NATIONAL PARK/NANYUKI/MT.**  
**KENYA SAFARI CLUB**

This morning's flight takes you from Tsavo to Nanyuki, via Nairobi, and Kenya's equatorial region. Head to Mt. Kenya Safari Club, prestigious resort nestled on the slopes of Mount Kenya, Africa's second-highest peak. Perched at an altitude of over 6,600 feet above sea level, the club offers breathtaking views of the mountain and its surrounding landscapes, making it an ideal retreat for those seeking both luxury and natural beauty. Its unique location, just a few kilometers from the equator, adds to the allure, providing guests with the rare experience of being near one of the world's most famous geographical landmarks.

The Mt. Kenya Safari Club is steeped in history, having been established in 1959 by Hollywood actor William Holden and his friends. It quickly became a favored retreat for celebrities, royalty, and dignitaries from around the world. The club's location on the slopes of Mount Kenya holds cultural significance, as the mountain is revered by the Kikuyu people as the home of their god, Ngai. The Kikuyu have a deep connection to the land, which is reflected in their rich traditions and practices. The club's heritage is also linked to conservation, particularly through the William Holden Wildlife Foundation, which continues to support wildlife preservation and environmental education in the region.

Today, the Mt. Kenya Safari Club remains one of Kenya's most iconic and luxurious destinations, offering a unique blend of elegance, adventure, and cultural immersion in the heart of Africa.

Guests at Mt. Kenya Safari Club can partake in a wide array of activities that cater to all interests. The club offers guided hikes and nature walks in the nearby Mount Kenya National Park, where the diverse flora and fauna, including elephants and various bird species, can be explored. Horseback riding and fishing are popular outdoor pursuits, while wildlife safaris at the nearby Ol Pejeta Conservancy provide an opportunity to see the Big Five in their natural habitat. For those interested in cultural experiences, the club organizes visits to local Kikuyu communities, allowing guests to learn about the traditions and way of life of the people who have lived around Mount Kenya for centuries. Bird watching is also a popular activity, with over 130 species recorded in the area. Additionally, the club's proximity to the equator allows for unique experiences such as demonstrations of the Coriolis effect.

The Mount Kenya Trust (MKT), a project supported by the International Elephant Foundation is a non-profit organization dedicated to the conservation and sustainable management of the Mount Kenya ecosystem, one of Africa's most important and biodiverse landscapes. Established in 2000, MKT was formed in response to the increasing environmental threats facing Mount Kenya, including illegal logging, poaching, land encroachment and now climate change. The organization works closely with local communities, government agencies, and other conservation partners to protect the natural resources, wildlife, and elephants of this UNESCO World Heritage Site.

Mount Kenya is home to a rich diversity of wildlife, including elephants, leopards, and zebras just to name a few. MKT runs anti-poaching patrols and supports community-based ranger programs to combat illegal hunting and wildlife trafficking. These efforts have been instrumental in reducing poaching incidents and protecting the region's vulnerable species. MKT also collaborates on larger-scale conservation initiatives, such as the creation of wildlife corridors that connect Mount Kenya to other protected areas, allowing for the free movement of animals and promoting genetic diversity. Their work in advocacy and policy development ensures that the conservation needs of the Mount Kenya ecosystem are represented at the national level.

Community engagement and education are also central to MKT's mission as they believe that involving local communities in conservation efforts is key to the long-term success of its projects. Through environmental education programs, MKT raises awareness about the importance of conservation and sustainable practices among local residents, particularly the youth. Additionally, MKT supports alternative livelihood programs, such as beekeeping and eco-tourism, to provide economic benefits to communities while reducing pressure on natural resources. Its forest restoration program

rehabilitates degraded areas by planting indigenous trees, managing forest resources, and promoting sustainable land-use practices. These reforestation projects are crucial for maintaining the health of the mountain's water catchment areas, which provide vital water sources for millions of people and wildlife across Kenya.

A wide variety of experiences await you while visiting Mount Kenya. You will be able to meet the horses and rangers of the IEF sponsored Mounted Horse Patrol and if the weather permits, there will be an opportunity to get a taste of a forest patrol on horseback, or for those not able to ride horses a short guided walk through the forest. You will also visit the internationally renowned Mount Kenya Elephant Corridor, the 12 kilometer restored migration route between Mount Kenya, Lewa Conservancy, and the Samburu-Laikipia region. Other potential activities between wildlife viewing include visiting the Marania Forest Restoration Site, tree planting, and a visit to the Junior Range Program model school.

*The accommodation at Mt. Kenya Safari Club is designed to blend modern luxury with traditional African charm. Guests can choose from a variety of options, including elegantly furnished cottages, suites, and spacious villas. Each room is thoughtfully decorated, offering a cozy fireplace, private verandahs, and en-suite bathrooms, ensuring a comfortable and relaxing stay. The club also boasts a range of amenities, including several dining options where guests can indulge in international and local cuisine, an outdoor heated swimming pool, a luxurious spa, and a nine-hole golf course. Sports enthusiasts will appreciate the tennis courts, while business travelers can take advantage of the conference rooms and event spaces.*

## **DAYS 8/9/10~SUNDAY/MONDAY/TUESDAY~NOVEMBER 9/10/11**

### **LEWA DOWNS/SAMBURU GAME RESERVE**

Embark on another exciting journey in this country by driving along its rugged roads, passing through fertile farmlands on your way to Samburu Reserve. En route, you will spend the day visiting another IEF-partner, the Northern Rangelands Trust (NRT), a conservation organization that supports community-led efforts to manage and protect wildlife across Kenya's northern and coastal regions. You will visit the Joint Operation and Communication Centre (JOCC) that serves as a hub for security operations, including the 9-1 and 9-2 Anti-Poaching Teams that IEF has supported for over a decade, as well as the National Police Service, and the Kenya Wildlife Service. You will meet the anti-poaching teams, learn about the tools they use, and have exclusive access to dedicated NRT staff who will accompany our group to guide us across the landscape and explain the whole evolution of community conservation and important milestones.

Founded in 2004, NRT works with over 40 community conservancies, covering more than 42,000 square kilometers. Its mission is to empower local communities to own and sustainably manage their natural resources, leading to improved livelihoods, security, and environmental health. NRT's initiatives include wildlife conservation, rangeland management, peacebuilding, and the development of sustainable enterprises such as ecotourism and livestock markets. By fostering collaboration between communities, government agencies, and conservation partners, NRT has created a successful model for community-driven conservation that balances the needs of people and wildlife in Kenya's arid and semi-arid landscapes. In the evening we will also share meals with NRT staff giving personal and informal opportunities to learn about their lives, work, and perspectives.

Continue to Samburu which lies on the hot and arid fringes of Kenya's vast northern region. Samburu Game Reserve is set within the lands of the colorful Samburu people, close relatives of the Maasai. The landscapes are magnificent with extremely colorful birds and numerous wildlife species found only north of the equator and rarely elsewhere in Kenya. Species include the Grevy's zebra, reticulated giraffe and beisa oryx while the graceful gerenuk, an antelope with a characteristic long neck, spends most time in a bipedal stance seeking relaxation in the sparse scrub. The dramatic, harsh landscape is subjected to the hot equatorial sun for most of the year and relief comes only from the cool waters of the Uaso Nyiro ("Brown") River. Rising to the West on the foothills of the Aberdares, the river vanishes beyond Samburu in the soggy expanse of the Lorian swamp.

While in Samburu, you will be experiencing some of the projects the International Elephant Foundation through their collaboration with Northern Rangelands Trust, is partnering with or has partnered in the past. On one of the days you will visit the Sera Rhino Sanctuary and the Reteti Elephant Sanctuary.

The Tusk Trust/Sera Rhino Sanctuary is a community-led conservation initiative established within the Sera Community Conservancy. Launched in 2015, it became the first community conservancy in East Africa to reintroduce critically endangered black rhinos into their natural habitat. Managed by the Northern Rangelands Trust (NRT) and supported by the Kenya Wildlife Service (KWS), the sanctuary spans over 100 square kilometers and provides a safe haven for the growing population of black rhinos. The Sera Rhino Sanctuary not only focuses on wildlife protection but also empowers local communities through ecotourism and conservation-related employment opportunities. The sanctuary's innovative approach, which includes community rangers and high-tech monitoring, has made it a successful model for community-based wildlife conservation in Africa.

The Reteti Elephant Sanctuary, located in the Namunyak Wildlife Conservancy, is a pioneering community-owned and operated sanctuary dedicated to the rescue and rehabilitation of orphaned and abandoned elephants. Established in 2016, Reteti is the first elephant sanctuary in Africa to be owned and managed by the local Samburu community. The sanctuary's mission is to provide a safe haven for vulnerable elephants, with the goal of releasing them back into the wild once they are strong enough to survive on their own. Reteti also serves as a powerful symbol of community-led conservation, offering local employment, education, and a source of pride for the Samburu people. Through its work, Reteti not only protects elephants but also promotes coexistence between humans and wildlife, ensuring that both can thrive in a shared landscape.

*The luxurious Samburu Intrepids Club is set during the rugged and savagely beautiful semi-arid desert of northern Kenya. Located in the Samburu National Reserve on the banks of the Uaso Nyiro River, the Club offers unique wildlife viewing in its immediate surroundings. Twenty-eight modern and newly refurbished tents are elevated on individual decks under the shade of the acacia trees overlooking the river. The roomy tents boast the very latest in luxury, with soft four-poster beds, handsome mahogany closets and writing desks, and en suite bathrooms with steaming hot showers. The bathroom also offers twin washbasins, flush toilets, and sockets for shavers and battery charging. The lodge is subtly constructed to enhance its closeness with nature.*

*Time not on safari can be spent by the swimming pool or on an escorted camel safari across the river, also the nature bird walks provide a fascinating past time. (Available at additional costs.) Buffet luncheons and candlelit dinners are served on an elevated deck amidst the high shade trees. And the occasional visits from the elephants or other wildlife below the decks will make your stay most memorable.*

## OPTIONAL POST-EXTENSION TO THE MAASAI MARA GAME RESERVE

**DAYS 11/12/13~WEDNESDAY/THURSDAY/FRIDAY~NOVEMBER 12/13/14**

**SAMBURU/MAASAI MARA/NORTHERN SERENGETI**  
Bid farewell to the rest of the group as you board a flight to Kenya's most famous wildlife reserve; known as the "Jewel of Africa" and setting for the film *Out of Africa*. It is classic savannah – grasslands, where animals are plentiful and the vistas spectacular. In this dreamlike land, animals live in freedom, and the Maasai tend their cattle in perfect harmony, all sharing the same land with total understanding. You will have three days of game-viewing opportunities in the Maasai Mara Game Reserve, a site with one of the largest and the most spectacular animal migrations in the world. The reserve is inhabited by many of Africa's most popular wild animals, including lions, cheetah, elephant, leopard, black rhino, and hippo. There are also over 500 resident species of birds in the park including ostrich, lark, and sunbird.

The area is famous for rolling grassland and for the Mara River, which runs through the reserve from north to south. The reserve covers an area of 700 square miles and forms part of the Serengeti ecosystem, hosting the world-famous spectacle of the annual migration of up to two million wildebeest, thousands of zebra, and an escort of carnivores from the Serengeti plains that follow the rains and succulent new grass. A costly trek as many of the lame, laggard, and sick will fall prey to the ravaging pack of predators and many more will die in the swirling flood waters of the Mara River as they try to cross it. This is the end of the migration as the herds make their trek back to Tanzania, so you should be in a good position to see many lines of wildebeest, but regardless, the Mara has its own resident herds and you're sure to see plenty of wildlife! The Mara also has one of the highest concentrations of cheetahs on the continent, as well as many magnificent black-maned lions

*For the next three nights, you'll be staying at Mara Intrepids, a premium tented camp that blends luxury accommodations, exceptional dining, and warm hospitality in one of the world's most breathtaking natural settings. Perched above a sweeping curve of the Talek River, at the meeting point of the Maasai Mara's four prime game-viewing regions, the camp is situated in one of the most stunning locations in the Mara ecosystem. It's just a short drive from the Mara River, where the dramatic migration of over a million wildebeest and zebra occurs each July and August. Mara Intrepids features 30 luxurious tents spread across a spacious riverside area to provide you with maximum privacy and tranquility. Each tent is designed in classic African safari style, complete with large four-poster beds and elegant vintage furnishings,*

*while modern en-suite bathrooms offer hot showers, flush toilets, and other contemporary amenities. Positioned on elevated platforms, the tents offer expansive views over the riverbanks, where a diverse range of wildlife comes to drink. At night, the camp's restaurant often attracts curious bush babies, some of which are melanistic. The camp's outdoor pool, surrounded by sun loungers, provides a relaxing spot to unwind. Free Wi-Fi is available in public areas.*

You'll have some time to relax before you are escorted to the airport in time for your return flights home. As your journey comes to a close, you say a fond farewell to your driver/guide and promise to return again. (B,L, Meals Aloft)

## OPTIONAL EXCURSIONS IN THE MAASAI MARA

Experience an exhilarating balloon safari for the most incredible way of viewing wildlife. It begins in the early morning after you observe the inflating of the balloon, and you have an hour of uninterrupted views of wildlife from the air – the best way to see the incessant movement of animals and the fabulous vistas of Tanzania and Kenya. During the flight, you will ascend to a high altitude to take in an amazing panoramic view and then descend to treetop level and silently glide above the wildlife below. Upon landing, enjoy a “bubbly” brunch, set especially for you in the middle of the plains. Zebra and elephants may be your dining guests, and Africa’s colorful birds may vie for a crumb of your bread. You then meet with your driver/guide and continue your safari. Many consider this one of the most memorable experiences of their safari.

Flying high up in the skies of the **Maasai Mara Game Reserve**, you view an endless magical array of savannahs, rivers, forests, and escarpments. If your visit is between July and October, the Mara plays host to the great migration, and there’s nothing like this unparalleled phenomenon of migrating herds of zebra, wildebeest, and gazelle to view from the air. But, whether the migration is in the Mara or not, watching predators such as lions and cheetahs hunting their prey, and looking for all the marvels of the bush, is exciting and never gets old!

- Maasai Mara with collection from your lodge – Mara Serena Lodge: \$500 per adult (including children 12 and over) and \$300 per child ages 3-11 years who must be accompanied by an adult on the balloon.
- These prices are as of September 4, 2024 and subject to change.

Reservations for this excursion are necessary before departure from the USA if you wish to be guaranteed a seat. Full payment must be forwarded to Classic Escapes, 191 W Poplar Street, Floral Park, NY 11001 to be received at least three weeks prior to departure. If your trip does not materialize due to weather or other reasons, your payment will be refunded upon returning to the U.S.A. However, if you should cancel for any reason, payment is non-refundable.

## THINGS YOU NEED TO KNOW ABOUT EAST AFRICA

---

### Participants

- Participants must be able to climb in and out of 4X4 vehicles and small aircraft unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (4-8 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

### General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries, and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort.
- That being said, some locations are nestled in absolute luxury where pampering is the norm. Participants should generally be in good health and prepared to travel to locations without medical facilities.

### Air Schedules

The cost of your program does not include international airfare. If you require assistance, please contact Classic Escapes at 718-280-5002 and we will happily provide air quotes to you. You may make your own international air arrangements, but please ensure you arrive/depart on the correct dates. Contact your Journey Manager at Classic Escapes to verify the dates to ensure there are no errors. **The start and end city for the land only program is Nairobi, Kenya.**

*Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.*

**\*\*Please keep in mind that the baggage compartments on most of the light aircraft are only 25cm (10 inches) high, so the pilots must have the ability to manipulate the bag into the compartment.**

The carriage of excess baggage is at the sole discretion of the Company after taking into consideration the aircraft being used and the number of passengers booked. When excess baggage is carried it will be charged at the prevailing rate. Excess luggage is charged at USD \$3.00 per kilogram. Guests who are unable to depart on the scheduled charter will be given the option to book a private charter at additional costs to be paid directly prior to departure and subject to the availability of aircraft at the time of booking these flights. ### ASSISTANCE WITH BAGGAGE PRIOR TO ARRIVAL

Should guests be traveling with the incorrect luggage and require assistance with storage (which we offer at no additional cost) or transportation to their point of departure from Kenya (transportation costs apply), this can be arranged provided this has been brought to our attention prior to their arrival in Kenya, preferably at the time of final booking confirmation.

## **BRING-A-BOOK FOUNDATION**

---

Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you'll make with them is invaluable. You'll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

The purchase of your travel booking constitutes a contractual agreement between the traveler(s), customer(s), and/or purchaser(s) (collectively as "You" and "Traveler"), and Classic Escapes ("Classic Escapes", "We", "Us") pursuant to the following terms and conditions ("Terms", "Agreement"):

### REGISTRATION & PAYMENTS

**HOW TO BOOK:** Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: CLASSIC ESCAPES, 191 W Poplar Street, Floral Park, NY 11001 Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

**DEPOSIT AND FINAL PAYMENT:** You will be required to pay the following per-person deposits when booking. Those amounts are:

- \$2,000 for the main trip,
- \$800 for the post extension

All deposits are subject to the Cancellation policy herein. Final payment is required no less than 95 days prior to departure (July 30, 2025) unless otherwise stated. Some fares or services must be paid in full at the time of booking. Deposits may be made by check or with a credit card (American Express, Visa, MasterCard, or Discover.) Final payment is only possible by check or wire transfer. Conditioned on receipt of final payment in full, all final documents and air tickets will be sent to you approximately two weeks prior to departure.

**CREDIT CARD TRANSACTIONS:** If for any reason, any travel service provider is unable to provide the services for which you have contracted, your remedy lies against the provider, and not against Classic Escapes, and in the event that payment has been made to Classic Escapes by credit card, you agree that you will not seek to chargeback your payment to Classic Escapes. If the credit card is passed through to the travel service provider and you seek to chargeback your payment from the provider, you agree to be held liable and indemnify Classic Escapes against this chargeback from the provider, including without limitation any air debit memos charged to Classic Escapes. If the credit card is declined, you guarantee that you will settle any amounts owing to Classic Escapes via money order or cash immediately. Except in cases of fraud, you agree not to file any dispute with your bank or credit card company to avoid or violate any booking terms and conditions of Classic Escapes or its suppliers, including cancellations or changes of itinerary or arrangements for reasons beyond the control of Classic Escapes or its suppliers. If you attempt to chargeback, reverse, or recollect a previously authorized trip payment, Classic Escapes reserves the right to collect all additional costs, fees, and expenses associated with such chargeback, reversal, or recollection, including, without limitation, attorney fees.

**IMPORTANT CONDITIONS:** Prices are subject to increase prior to the time you make full payment. Prices are not subject to increase after you make full payment, except for charges resulting from increases in government-imposed taxes or fees. By signing the reservation form, you expressly acknowledge your acceptance of these conditions (i.e., increases before full payment and increases attributable to government-imposed taxes or fees after full payment will be your responsibility) applicable to your purchase.

**RATES:** Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

**ADDITIONAL FEES:** Additional taxes and surcharges that cannot be pre-collected may be charged locally. Cost of passport and visa fees and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy(s); or any other costs incurred that cannot be pre-collected are NOT included and are the sole responsibility of the Traveler.

**SINGLE SUPPLEMENT:** The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed but will be provided at additional cost if available (see 'Your Journey at a Glance' section for the cost.) The single-room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

**GRATUITIES, ENTRANCE FEES & TAXES:** Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included in the final cost. U.S. and foreign airport taxes are included in air costs. Tips to drivers and specialist guide(s) are **not** included and are the sole responsibility of the Traveler.

## CANCELLATIONS, DEVIATIONS & CHANGES

**TRAVEL INSURANCE:** We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

**CANCELLATION:** Please be aware that most travel bookings are non-refundable and canceled bookings will incur charges. These charges can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Where we incur any liability for a cancellation fee or charge for any booking that you cancel, you agree to indemnify us for the amount of that fee or charge. Cancellations are only effective upon receipt of written notification. The following per-person fees are applicable; however, depending on the specific itinerary or other factors, we may require a non-refundable deposit:

- Up to 6 months prior to departure (May 6, 2025), \$300 per person administrative fee.
- 179 days to 96 days prior to departure (May 7 to July 29, 2025), \$300 per person administrative fee, plus \$500 non-refundable deposits given to suppliers.
- 95 days to 76 days prior to departure (July 30 to August 18, 2025), deposit is forfeited.
- 75 days to 60 days prior to departure (August 19 to September 3, 2025), 25% refund is possible.
- 59 days or less prior to departure (September 4, 2025), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

**REFUNDS:** While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

**CHANGES:** Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

**SPECIAL ARRANGEMENTS:** Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

## DOCUMENTS

**PASSPORTS:** All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

**REAL ID:** Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit [www.tsa.gov/real-id](http://www.tsa.gov/real-id).

**TRAVEL DOCUMENTS:** It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the canceled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

**PRE-DEPARTURE INFORMATION:** Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

**FINAL DOCUMENTS:** Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

## TRANSPORTATION

**AIR TRANSPORTATION:** Your program does not include international airfare. If you require assistance, contact Classic Escapes.

**FREQUENT FLYER MILEAGE:** Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

**TRANSFERS:** Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

**FLIGHT CONFIRMATION:** We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

**HAZARDOUS MATERIALS:** Federal law prohibits passengers from bringing hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

**INSECTICIDE NOTICE:** Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

**BAGGAGE & FEES:** Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

**LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS:** Your journey includes optional internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight: **33 lbs.** (15 kgs.) per person including the camera equipment. Further, soft-sided duffel bags are **preferred**, as they stow best in vehicles and airplanes with limited space.

**PERSONAL WEIGHT ALLOWANCES ON INTERNAL FLIGHTS:** Your journey includes internal flights aboard light aircraft which are designed with a maximum body weight and luggage allowance; this is closely monitored by the flight operators for safety reasons. If your personal weight exceeds **85 kilos (187 lbs.)** it may be required to purchase an extra seat and your Classic Escapes Journey Manager will contact you should this be necessary.

**AIRLINE CLAUSE:** The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

**DELAYS:** We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.

Classic Escapes is not responsible for providing you with this information. You may be denied entry onto your carrier and/or entry upon arrival at your destination or be required to self-quarantine at your destination and upon your return to the United States. You must comply with local government regulations. Any additional costs are your responsibility. Check the State Department Web site <http://travel.state.gov>, for relevant information relating to travel to specific destinations, and the Center for Disease Control <http://wwwnc.cdc.gov/travel/> relating to health issues related to travel.

You must be in good physical and mental health. It shall be your duty to inform us in case you have any medical condition that may affect your ability to enjoy and pursue fully the services of Classic Escapes. By registering for a Classic Escapes service/program, you certify that you do not have any mental, physical, or other condition or disability that would create a hazard for yourself or others.

### **COVID-19 ACKNOWLEDGEMENT**
